NARRATIVE**

The Interpublic Group of Companies, Inc. (the "Company") was unable to file its Quarterly Report on Form 10-Q for the quarter ended June 30, 2005 (the "Second Quarter 2005 Form 10-Q") by August 9, 2005 because it has not completed the preparation of its consolidated financial statements as of and for the quarter ended June 30, 2005. The delay in preparation of the Company's financial statements is attributable to the breadth of the additional internal work and analysis required due to the material weaknesses management has identified as part of its assessment of the Company's internal control over financial reporting and to the need to determine whether certain matters will require a restatement of financial statements for prior

periods. The Company is planning to file its Second Quarter 2005 Form 10-Q and its other late periodic filings by September 30, 2005. Nevertheless, the Company can provide no assurance that it will complete these filings in time to meet this target because extensive work remains to be done.

For further discussion of the material weaknesses and the potential restatement, please refer to the Company's Current Report on Form 8-K dated March 17, 2005 (Item 8.01 of which is incorporated by reference herein), Current Report on Form 8-K dated March 31, 2005 (Item 8.01 of which is incorporated by reference herein) and Current Report on Form 8-K dated June 22, 2005 (Item 8.01 of which is incorporated by reference herein), filed with the Securities and Exchange Commission on March 17, 2005, April 5, 2005 and June 28, 2005, respectively.
