INFORMATION REGARDING FORWARD-LOOKING DISCLOSURE

This quarterly report on Form 10-Q contains forward-looking statements. Statements in this report that are not historical facts, including statements about management's beliefs and expectations, constitute forward-looking statements. Without limiting the generality of the foregoing, words such as "may," "will," "expect," "believe," "anticipate," "intend," "could," "would," "estimate," "continue" or comparable terminology are intended to identify forward-looking statements. These statements are based on current plans, estimates and projections, and are subject to change based on a number of factors, including those outlined under Item 1A, Risk Factors, in our most recent annual report on Form 10-K. Forward-looking statements speak only as of the date they are made and we undertake no obligation to update publicly any of them in light of new information or future events.

Forward-looking statements involve inherent risks and uncertainties. A number of important factors could cause actual results to differ materially from those contained in any forward-looking statement. Such factors include, but are not limited to, the following:

- potential effects of a challenging economy, for example, on the demand for our advertising and marketing services, on our clients' financial condition and on our business or financial condition;
- our ability to attract new clients and retain existing clients;
- our ability to retain and attract key employees;
- risks associated with assumptions we make in connection with our critical accounting estimates, including changes in assumptions associated with any effects of a weakened economy;
- potential adverse effects if we are required to recognize impairment charges or other adverse accounting-related developments;
- risks associated with the effects of global, national and regional economic and political conditions, including counterparty risks and fluctuations in economic growth rates, interest rates and currency exchange rates; and
- developments from changes in the regulatory and legal environment for advertising and marketing and communications services companies around the world.

Investors should carefully consider these factors and the additional risk factors outlined in more detail under Item 1A, Risk Factors, in our most recent annual report on Form 10-K.

Notes to Consolidated Financial Statements
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

Note 1: Basis of Presentation

The unaudited Consolidated Financial Statements have been prepared by The Interpublic Group of Companies, Inc. and subsidiaries (the “IPG,” “we,” “us” or “our”) in accordance with accounting principles generally accepted in the United States and pursuant to the rules and regulations of the Securities and Exchange Commission (the “SEC” or the “Commission”) for reporting interim financial information on Form 10-Q. Accordingly, they do not include certain information and disclosures required for complete financial statements. The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires us to make judgments, assumptions and estimates that affect the amounts reported and disclosed. Actual results could differ from these estimates and assumptions. The consolidated results for interim periods are not necessarily indicative of results for the full year and should be read in conjunction with our 2009 Annual Report on Form 10-K.

In the opinion of management, these unaudited Consolidated Financial Statements include all adjustments of a normal and recurring nature necessary for a fair statement of the information for each period contained therein. Certain reclassifications have been made to prior periods to conform to the current period presentation.

Note 2: Loss Per Share

Loss per basic and diluted common share available to IPG common stockholders equals net loss available to IPG common stockholders divided by the weighted-average number of common shares outstanding for the applicable period.

We may be required to calculate loss per basic share using the two-class method, pursuant to authoritative guidance for earnings per share, as a result of our redeemable noncontrolling interests. Each reporting period, redeemable noncontrolling interests are reported at their estimated redemption value, but not less than their initial fair value. Any adjustment to the redemption value will also impact additional paid-in capital, but will not impact net loss. Adjustments as a result of currency translation will affect the redeemable noncontrolling interest balance, but do not impact additional paid-in capital. To the extent that the redemption value increases and exceeds the then-current fair value of a redeemable noncontrolling interest, net loss available to IPG common stockholders (used to calculate loss per share) could be negatively impacted by that increase, subject to certain limitations. The partial or full recovery of these reductions to net loss available to IPG common stockholders (used to calculate loss per share) is limited to cumulative prior-period reductions. The following sets forth basic and diluted loss per common share available to IPG common stockholders.

	Three months ended	
	March 31,	
	2010	2009
Net loss available to IPG common stockholders	\$ (71.5)	\$ (73.9)
Weighted-average number of common shares outstanding – basic and diluted	471.3	464.0
Loss per share available to IPG common stockholders – basic and diluted	\$ (0.15)	\$ (0.16)

Notes to Consolidated Financial Statements – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

Basic and diluted shares outstanding and loss per share are equal for the three months ended March 31, 2010 and 2009 because our potentially dilutive securities are antidilutive as a result of the net loss available to IPG common stockholders in each period presented. The following table presents the potential shares excluded from diluted loss per share because the effect of including these potential shares would be antidilutive.

	Three months ended	
	March 31,	
	2010	2009
Stock options and non-vested restricted stock awards	10.8	9.9
4.75% Notes	16.1	16.1
4.25% Notes	32.2	32.2
4.50% Notes	—	0.7
Series B Preferred Stock	38.4	38.4
Total	97.5	97.3
Securities excluded from the diluted loss per share calculation because the exercise price was greater than the average market price:		
Stock options ¹	20.7	26.6
Warrants ²	—	67.9

¹ These options are outstanding at the end of the respective periods. In any period in which the exercise price is less than the average market price, these options have the potential to be dilutive and application of the treasury stock method would reduce this amount.

² The potential dilutive impact of the warrants was based upon the difference between the market price of one share of our common stock and the stated exercise prices of the warrants, adjusted to reflect the period during which the warrants were outstanding. The warrants expired in June 2009.

2004 Restatement Liabilities

As part of the restatement we presented in our 2004 Annual Report on Form 10-K (the “2004 Restatement”), we recognized liabilities related to vendor discounts and credits where we had a contractual or legal obligation to rebate such amounts to our clients or vendors. Reductions to these liabilities are achieved through settlements with clients and vendors, but also may occur if the applicable statute of limitations in a jurisdiction has lapsed. Also, as part of the 2004 Restatement, we recognized liabilities related to internal investigations and international compensation arrangements. As of March 31, 2010 and December 31, 2009 we had total 2004 Restatement liabilities of \$104.3 and \$109.2, respectively, of which vendor discounts and credits represented \$101.4 and \$106.4, respectively.

Redeemable Noncontrolling Interests

Many of our acquisitions include provisions under which the noncontrolling equity owners can require us to purchase additional interests in a subsidiary at their discretion. Payments for these redeemable noncontrolling interests are contingent upon achieving projected operating performance targets and satisfying other conditions specified in the related agreements and are subject to revisions as the earn-out periods progress. The following table presents changes in our redeemable noncontrolling interests.

	Three months ended March 31,	
	2010	2009
Balance at beginning of period	\$ 277.8	\$ 288.4
Noncontrolling interest balance related to redeemable noncontrolling interests	(12.8)	(6.0)
Changes in redemption value of redeemable noncontrolling interests:		
Redeemable noncontrolling interests related to current year transactions	2.4	2.1

Redemption value adjustments ¹	4.4	(3.3)
Balance at end of period	<u>\$ 255.1</u>	<u>\$ 278.9</u>

¹ Redeemable noncontrolling interests are reported at their estimated redemption value in each reporting period, but not less than their initial fair value. Any adjustment to the redemption value impacts additional paid-in capital, except adjustments as a result of currency translation.

¹ Excludes the effect of related gains/losses on interest rate swaps.

² Fair values are derived from trading quotes by institutions making a market in the securities and estimations of value by those institutions using proprietary models.

³ As of December 31, 2009, the book value includes an increase of \$1.3, resulting from fair value adjustments to the hedged debt related to interest rate swap agreements outstanding during 2009. In February 2010, we terminated all of these interest rate swaps agreements. See "Interest Rate Swaps" below for further information.

In April 2010, we repurchased \$21.4 aggregate principal amount of our Floating Rate Senior Unsecured Notes due 2010 that were scheduled to mature in November 2010 for \$21.5 in cash, which includes accrued and unpaid interest.

Notes to Consolidated Financial Statements – (continued)
(Amounts in Millions, Except Per Share Amounts)

Interest Rate Swaps

In February 2010, we terminated all of the interest rate swaps related to our 6.25% Senior Unsecured Notes due 2014. We received a total of \$5.4 in cash, which included accrued and unpaid interest. The related gain of \$3.9 will be amortized as a reduction to interest expense over the remaining term of the notes, resulting in an annual effective interest rate of 6.0%.

Credit Facilities

On April 23, 2010 we amended and restated our credit agreement originally dated as of July 18, 2008, (the “Credit Agreement”), which increased commitments of the lenders to \$650.0 from \$335.0. The Credit Agreement is a revolving facility expiring July 18, 2013, under which amounts borrowed by us or any of our subsidiaries designated under the Credit Agreement may be repaid and reborrowed, subject to an aggregate lending limit of \$650.0 or the equivalent in other currencies. The aggregate available amount of letters of credit outstanding may decrease or increase, subject to a limit on letters of credit of \$200.0 or the equivalent in other currencies. Our obligations under the Credit Agreement are unsecured.

We were in compliance with all applicable restrictive and financial covenants in the Credit Agreement as of March 31, 2010, which was prior to the April 23, 2010 amendment and restatement. The revised financial covenants in the Credit Agreement require that we maintain, as of the end of each fiscal quarter: (i) an interest coverage ratio (EBITDA to net interest expense plus cash dividends on convertible preferred stock) for the four quarters then ended of not less than 3.75 to 1 for the second and third quarters of 2010, 4.00 to 1 for the fourth quarter of 2010, 4.25 to 1 for the first quarter of 2011, and stepping up gradually until we reach 5.75 to 1 for the third quarter of 2012 and thereafter; (ii) a leverage ratio (debt as of such date to EBITDA) for the four quarters then ended of not greater than 3.75 to 1 for the second and third quarters of 2010, 3.25 to 1 for the fourth quarter of 2010 and the first two quarters of 2011 and stepping down gradually until we reach 2.50 to 1 for the second quarter of 2012 and thereafter; and (iii) minimum EBITDA for the four quarters then ended of not less than \$550.0 through the third quarter of 2011 and \$600.0 thereafter. For purposes of the leverage ratio and interest coverage ratio calculated for any date in 2010, we may exclude from our total debt up to \$300.0 of any new senior notes we issue in 2010 with a minimum maturity of five years, less the amount of proceeds of such new indebtedness that are applied to reduce the principal amount of certain of our debt that is currently outstanding. Under certain circumstances, up to \$85.0 in principal amount of such new senior notes may be permanently excluded from total debt for purposes of such covenant calculations.

Note 5: Income Taxes

For the three months ended March 31, 2010, the difference between the effective tax rate and the statutory rate of 35% is primarily due to losses in certain foreign locations where we receive no tax benefit due to 100% valuation allowances, the establishment of valuation allowances in Europe and the loss from the devaluation of the Venezuelan currency, for which we received no tax benefit.

We have various tax years under examination by tax authorities in various countries, such as the United Kingdom, and in various states, such as New York, in which we have significant business operations. It is not yet known whether these examinations will, in the aggregate, result in our paying additional taxes. We believe our tax reserves are adequate in relation to the potential for additional assessments in each of the jurisdictions in which we are subject to taxation. We regularly assess the likelihood of additional tax assessments in those jurisdictions and, if necessary, adjust our reserves as additional information or events require.

With respect to all tax years open to examination by U.S. federal and various state, local and non-U.S. tax authorities, we currently anticipate that total unrecognized tax benefits will decrease by an amount between \$50.0 and \$60.0 in the next twelve months, a portion of which will affect the effective tax rate, primarily as a result of the settlement of tax examinations and the lapsing of statutes of limitations. This net decrease is related to various items of income and expense, including transfer pricing adjustments and adjustments in various state and local jurisdictions.

Notes to Consolidated Financial Statements – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

We are effectively settled with respect to U.S. federal income tax audits for years prior to 2007. With limited exceptions, we are no longer subject to state and local income tax audits for years prior to 1999, or non-U.S. income tax audits for years prior to 2000.

On March 18, 2010, the Hiring Incentives to Restore Employment (HIRE) Act was signed into law. This Act primarily provides employers with tax incentives to hire and retain new employees. There was no material impact on us in the first quarter of 2010. While we continue to assess the future impact of the Act on us, we do not expect a material impact to our effective or cash tax rates.

On March 30, 2010, the Health Care and Education Reconciliation Act of 2010 was signed into law, amending the Patient Protection and Affordable Care Act, the comprehensive health care reform legislation that was enacted on March 23, 2010. These Acts include significant tax law changes, including a decrease in the deduction for retiree health care costs, the codification of the economic substance doctrine and a provision to increase tax information reporting. There was no material impact on us in the first quarter of 2010. While we continue to assess the future impact of these Acts on us, we do not expect a material impact to our effective or cash tax rates.

Note 6: Incentive Compensation Plans

We issue stock-based compensation and cash awards to our employees under a plan established by the Compensation and Leadership Talent Committee of the Board of Directors (the “Compensation Committee”) and approved by our shareholders.

Stock-Based Compensation

We issued the following stock-based awards under the 2009 Performance Incentive Plan (the “2009 PIP”) during the three months ended March 31, 2010.

	<u>Awards</u>	<u>Weighted- average grant- date fair value (per award)</u>
Stock options	0.5	\$ 3.88
Stock-settled awards	3.4	\$ 8.43
Cash-settled awards	0.6	\$ 8.45
Total stock-based compensation awards	<u>4.5</u>	

Cash Awards

During the three months ended March 31, 2010, the Compensation Committee granted cash awards under the Interpublic Restricted Cash Plan and performance cash awards under the 2009 PIP with a total target value of \$28.1 and \$18.1, respectively, which will be amortized over the vesting period. Additional performance cash awards of \$19.0 were granted under the 2009 PIP and are expected to be settled in shares upon vesting and therefore fall within the scope of authoritative guidance for stock compensation.

Note 7: Employee Benefits

We have a defined benefit plan which covers substantially all regular U.S. employees employed through March 31, 1998. Some of our agencies have additional domestic plans which are closed to new participants. We also have numerous plans outside of the U.S., some of which are funded, while others provide payments at the time of retirement or termination under applicable labor laws or agreements. Some of our domestic and foreign subsidiaries also provide postretirement health benefits to eligible employees and their dependents. Additionally, some of our domestic subsidiaries provide postretirement life insurance to eligible employees. Certain immaterial foreign pension plans have been excluded from the table below. The components of net periodic cost for the domestic pension plans, the principal foreign pension plans and the postretirement benefit plans are listed below.

<u>Three months ended March 31,</u>	Domestic Pension Plans		Foreign Pension Plans		Postretirement Benefit Plans	
	2010	2009	2010	2009	2010	2009
Service cost	\$ —	\$ —	\$ 3.2	\$ 2.6	\$ 0.1	\$ 0.1
Interest cost	1.8	2.0	5.9	5.4	0.8	0.8
Expected return on plan assets	(1.6)	(1.9)	(4.4)	(3.2)	—	—
Settlement losses	—	—	0.4	—	—	—
Amortization of:						
Prior service cost	—	—	0.1	—	—	—
Unrecognized actuarial losses	2.3	2.5	0.5	0.6	—	—
Net periodic cost	<u>\$ 2.5</u>	<u>\$ 2.6</u>	<u>\$ 5.7</u>	<u>\$ 5.4</u>	<u>\$ 0.9</u>	<u>\$ 0.9</u>

For the three months ended March 31, 2010, we contributed \$6.5 to our foreign pension plans, while contributions to our domestic pension plans were \$9.6. For the remainder of 2010, we expect to contribute approximately \$17.0 to our foreign pension plans, while contributions to our domestic pension plans are expected to be negligible. A significant portion of our contributions to the foreign pension plans relates to the Interpublic Pension Plan in the U.K. (the "U.K. Pension Plan"). Additionally, we are in the process of modifying the schedule of employer contributions for the U.K. Pension Plan, which we expect to finalize in 2010. As a result, our contributions to our foreign pension plans may increase in 2010 and subsequent years.

Note 8: Segment Information

We have two reportable segments: Integrated Agency Networks (“IAN”), which is comprised of Draftfcb, Lowe, McCann Worldgroup, Mediabrands and our domestic integrated agencies, and Constituency Management Group (“CMG”), which is comprised of a number of our specialist marketing service offerings. We also report results for the “Corporate and other” group. The profitability measure employed by our chief operating decision maker for allocating resources to operating divisions and assessing operating division performance is operating income (loss), excluding the impact of restructuring and other reorganization-related charges (reversals) and long-lived asset impairment and other charges, if applicable. Segment information is presented consistently with the basis described in our 2009 Annual Report on Form 10-K. Note 9: Fair Value Measurements

Authoritative guidance for fair value measurements establishes a fair value hierarchy which requires us to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. We primarily apply the market approach for recurring fair value measurements. There are three levels of inputs that may be used to measure fair value:

- Level 1** Unadjusted quoted prices in active markets for identical assets or liabilities. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.
- Level 2** Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3** Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

There were no changes to our valuation techniques used to measure the fair value of assets and liabilities on a recurring basis during the three months ended March 31, 2010. The following table presents information about our assets and liabilities measured at fair value on a recurring basis as of March 31, 2010 and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value.

Liabilities

Mandatorily redeemable noncontrolling interests ²	\$ —	\$ —	\$63.5	\$ 63.5	³
--	------	------	--------	---------	--------------

¹ Fair value is derived from changes in market value of obligations denominated in foreign currency based on an internal valuation model.

² Relates to obligations to purchase noncontrolling equity shares of consolidated subsidiaries, valued pursuant to authoritative guidance on mandatorily redeemable financial instruments. Fair value measurement of the obligation was based upon the amount payable as if the forward contracts were settled as of March 31, 2010.

³ The amount redeemable within the next twelve months is classified in accrued liabilities; any interests redeemable thereafter are classified in other non-current liabilities.

The following table presents additional information about assets and liabilities measured at fair value on a recurring basis and for which we utilize Level 3 inputs to determine fair value.

	Assets	Liabilities

Level 3 additions relate to unconditional obligations to purchase additional equity interests in previous acquisitions for cash, which is considered to be a mandatorily redeemable financial instrument. Realized gains for mandatorily redeemable noncontrolling interests are reported as a component of interest expense in the unaudited Consolidated Statements of Operations.

Note 10: Commitments and Contingencies

Legal Matters

We are involved in legal and administrative proceedings of various types. While any litigation contains an element of uncertainty, we do not believe that the outcome of such proceedings will have a material adverse effect on our financial condition, results of operations or cash flows.

Guarantees

As discussed in our 2009 Annual Report on Form 10-K, we have guarantees of certain obligations of our subsidiaries relating principally to credit facilities, certain media payables and operating leases of certain subsidiaries. The amount of such parent company guarantees was approximately \$769.0 as of March 31, 2010 and December 31, 2009.

Note 11: Recent Accounting Standards

In March 2010, the Emerging Issues Task Force (“EITF”) reached a final consensus related to guidance when applying the milestone method of revenue recognition. The guidance will be effective for us beginning in January 1, 2011. The final consensus provides criteria for indentifying those deliverables in an arrangement that meet the definition of a milestone. In addition, the guidance includes enhanced quantitative and qualitative disclosure about the arrangements when an entity recognizes revenue using the milestone method. We do not expect the adoption of this guidance to have a significant impact on our Consolidated Financial Statements.

In February 2010, the Financial Accounting Standards Board (“FASB”) issued amended guidance for subsequent events, which is effective for us in February 2010. In accordance with the revised guidance, an SEC filer no longer will be required to disclose the date through which subsequent events have been evaluated in issued and revised financial statements. The adoption of the revised guidance did not have a material impact on our unaudited Consolidated Financial Statements.

In January 2010, the FASB issued amended guidance to enhance disclosure requirements related to fair value measurements. The amended guidance for Level 1 and Level 2 fair value measurements is effective for us January 1, 2010. The amended guidance for Level 3 fair value measurements will be effective for us January 1, 2011. The guidance requires disclosures of amounts and reasons for transfers in and out of Level 1 and Level 2 recurring fair value measurements as well as additional information related to activities in the reconciliation of Level 3 fair value measurements. The guidance expanded the disclosures related to the level of disaggregation of assets and liabilities and information about inputs and valuation techniques. The adoption of the guidance for Level 1 and Level 2 fair value measurements did not have a material impact on our unaudited Consolidated Financial Statements. We do not expect the adoption of the guidance related to Level 3 fair value measurements to have a significant impact on our Consolidated Financial Statements.

In January 2010, the FASB issued amended authoritative guidance related to consolidations when there is a decrease in ownership. The guidance is effective for us January 1, 2010. Specifically, the amendment clarifies the scope of the existing guidance and increases the disclosure requirements when a subsidiary is deconsolidated or when a group of assets is de-recognized. The adoption of the amended guidance did not have a significant impact on our unaudited Consolidated Financial Statements.

In December 2009, the FASB amended authoritative guidance related to accounting for transfers and servicing of financial assets and extinguishments of liabilities. The guidance is effective for us January 1, 2010. The guidance eliminates

Notes to Consolidated Financial Statements – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

the concept of a qualifying special-purpose entity and changes the criteria for derecognizing financial assets. In addition, the guidance requires additional disclosures related to a company's continued involvement with financial assets that have been transferred. The adoption of this amended guidance did not have a significant impact on our unaudited Consolidated Financial Statements.

In December 2009, the FASB amended authoritative guidance for consolidating variable interest entities. The guidance is effective for us January 1, 2010. Specifically, the guidance revises factors that should be considered by a reporting entity when determining whether an entity that is insufficiently capitalized or is not controlled through voting (or similar rights) should be consolidated. This guidance also includes revised financial statement disclosures regarding the reporting entity's involvement, including significant risk exposures as a result of that involvement, and the impact the relationship has on the reporting entity's financial statements. The adoption of this amended guidance did not have a significant impact on our unaudited Consolidated Financial Statements.

In September 2009, the EITF reached a consensus related to revenue arrangements with multiple deliverables. The consensus was issued by the FASB as an update to authoritative guidance for revenue recognition and will be effective for us January 1, 2011. The updated guidance revises how the estimated selling price of each deliverable in a multiple element arrangement is determined when the deliverables do not have stand-alone value. In addition, the guidance requires additional disclosures about the methods and assumptions used to evaluate multiple element arrangements and to identify the significant deliverables within those arrangements. We are currently evaluating the potential impact of the amended guidance on our Consolidated Financial Statements.

Note 12: Subsequent Events

On April 29, 2010, we launched a tender offer to purchase up to 370,000 shares (actual number) of our outstanding Series B Preferred Stock, with the price per share to be determined based on a formula taking into account the average trading price of our common shares over a reference period. We plan to use available cash to pay the aggregate purchase price of up to \$400.0 (inclusive of accrued dividends) for the shares tendered.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

The following Management's Discussion and Analysis of Financial Condition and Results of Operations ("MD&A") is intended to help you understand The Interpublic Group of Companies, Inc. and its subsidiaries ("IPG," "we," "us" or "our"). MD&A should be read in conjunction with our unaudited Consolidated Financial Statements and the accompanying notes included in this report, our 2009 Annual Report on Form 10-K, as well as our other reports on Form 8-K and other SEC filings. Our Annual Report includes additional information about our significant accounting policies and practices as well as details about our most significant risks and uncertainties associated with our financial and operating results. Our MD&A includes the following sections:

EXECUTIVE SUMMARY provides a discussion about our strategic outlook, factors influencing our business and an overview of our results of operations and liquidity.

RESULTS OF OPERATIONS provides an analysis of the consolidated and segment results of operations for the periods presented.

LIQUIDITY AND CAPITAL RESOURCES provides an overview of our cash flows, funding requirements, financing and sources of funds and debt ratings.

CRITICAL ACCOUNTING ESTIMATES provides an update to the discussion of our accounting policies that require critical judgment, assumptions and estimates in our 2009 Annual Report on Form 10-K.

RECENT ACCOUNTING STANDARDS, by reference to Note 11 to the unaudited Consolidated Financial Statements, provides a discussion of certain accounting standards that have been adopted during 2010 and certain accounting standards that we have not yet been required to implement and may be applicable to our future operations.

EXECUTIVE SUMMARY

IPG is one of the world's premier global advertising and marketing services companies. Our agencies create customized programs for clients across the full spectrum of marketing disciplines around the world. Comprehensive global services are critical to effectively serving our multinational clients, as well as our local clients in markets throughout the world, as they seek to build brands, increase sales of their products and services and gain market share in an increasingly complex and fragmented media landscape.

Our business objectives are to continue to strengthen our full range of marketing expertise and competitive positioning. We develop and invest in talent, tools and businesses that are highly relevant to the needs of our clients and offer us strong financial returns, including investment in the fastest growing geographic regions and marketing channels. Our long-term financial goals include maintaining organic revenue growth at competitive levels while expanding our operating margins. Accordingly, we remain focused on meeting the evolving needs of our clients while carefully managing our cost structure. We continually manage for more efficient discretionary spending and more effective resource utilization, including the productivity of our employees, real estate and information technology. The improvements we have made in our financial reporting and business information systems during recent years provide us with timely and actionable insights from our global operations. Our conservative approach to the balance sheet and liquidity provides us with a solid financial foundation and financial flexibility.

Beginning in the latter part of 2008 and continuing throughout 2009, the global economic recession had significant effects on the marketing budgets of our clients and on our revenue. We took considerable severance actions during this period which resulted in cost savings in both 2009 and the first quarter of 2010. In early 2010, the economic outlook in some of our key markets appears to be improving, although there remains a degree of caution on the part of marketers that continues to have an effect on the demand for advertising and marketing services. As the economic climate continues to improve, we believe we are well-positioned to benefit from a renewed focus on growth. We anticipate that different marketing disciplines, client sectors and geographic regions will exhibit varying levels of growth. As such, we continue to derive benefits from our diversified client base, global footprint and the broad range and strength of our professional offerings.

When we analyze period-to-period changes in our operating performance, we determine the portion of the change that is attributable to foreign currency rates and the net effect of acquisitions and divestitures, and the remainder we call organic change, which indicates how our underlying business performed. The performance metrics that we use to analyze our results include the organic change in revenue, salaries and related expenses and office and general expenses, and the components of operating expenses, expressed as a percentage of total consolidated revenue. Additionally, in certain of our discussions we analyze revenue by business sector, where we focus on our top 100 clients, which typically constitute 50%-55% of our annual consolidated revenues. We also analyze revenue by geographic region.

The change in our operating performance attributable to foreign currency rates is determined by converting the prior-period reported results using the current period exchange rates and comparing the prior-period adjusted amounts to the prior-period reported results. Although the U.S. Dollar is our reporting currency, a substantial portion of our revenues and expenses are generated in foreign currencies. Therefore, our reported results are affected by fluctuations in the currencies in which we conduct our international businesses. We do not use derivative financial instruments to manage this translation risk. As a result, both positive and negative currency fluctuations against the U.S. Dollar affect our consolidated results of operations. The primary foreign currencies that impacted our results for the first quarter of 2010 include the Euro, Pound Sterling, Brazilian Real and Australian Dollar. For the three months ended March 31, 2010, foreign currency fluctuations resulted in increases of approximately 4% in revenues and salaries and related expenses and approximately 5% in office and general expenses, which contributed to a net increase in our operating loss of approximately 6% compared to the prior-year period. During the first quarter of 2010, the U.S. Dollar was weaker against several foreign currencies compared to the prior-year period, and if this trend continues, it would increase our revenue and operating expenses, which would result in a net benefit to operating income or a net increase to operating loss in future periods.

For purposes of analyzing changes in our operating performance attributable to the net effect of acquisitions and divestitures, transactions are treated as if they occurred on the first day of the quarter during which the transaction occurred. During the past few years we have acquired companies that we believe will enhance our offering and disposed of businesses that are not consistent with our strategic plan. For the three months ended March 31, 2010, the net effect of acquisitions and divestitures had a minimal impact on revenue and operating expenses compared to the prior-year period.

Other	75.5	9.9	—	(10.3)	75.1	(13.6%)	(0.5%)

During the first quarter of 2010, our revenue increased by \$16.0, or 1.2%, compared to the first quarter of 2009, primarily consisting of a favorable foreign currency impact of \$55.5, partially offset by an organic revenue decrease of \$38.0, or 2.9%. Our organic decrease was primarily attributable to spending declines and lost assignments from several of our largest clients in our largest sector, technology and telecom, which negatively impacted both domestic and international regions. We anticipate that this trend will continue to adversely impact our revenue during 2010. This decrease was partially offset by increases in nearly all other sectors, including the auto and transportation sector, primarily in the domestic region, due to net client wins and higher spending from existing clients. The organic declines in our international markets were primarily concentrated in Continental Europe and the United Kingdom.

Our revenue is directly impacted by our ability to win new clients and the retention and spending levels of existing clients. Most of our expenses are recognized ratably throughout the year and are therefore less seasonal than revenue. Our revenue is typically lowest in the first quarter and highest in the fourth quarter. This reflects the seasonal spending of our clients, incentives earned at year-end on various contracts and project work completed that is typically recognized during the fourth quarter. Additionally, revenues can fluctuate due to the timing of completed projects in the events marketing business, as revenue is typically recognized when the project is complete. We generally act as principal for these projects and as such record the gross amount billed to the client as revenue and the related costs incurred as pass-through costs in office and general expenses.

Refer to the segment discussion later in this MD&A for information on changes in revenue by segment.

Three months ended March 31,	\$996.5	\$ 40.3	\$ (1.0)	\$ (56.5)	\$979.3	(5.7%)	(1.7%)

Salaries and related expenses in the first quarter of 2010 decreased by \$17.2 compared to the first quarter of 2009, primarily consisting of an organic decrease of \$56.5 partially offset by an adverse foreign currency rate impact of \$40.3. The organic improvement was due to lower base salaries, benefits and temporary help of \$45.4, primarily related to work force reductions across all networks to respond to difficult economic conditions during 2009. We expect to continue to recognize benefits from the severance actions taken during 2009 in base salaries and benefits throughout 2010. We did not incur the same level of severance in the first quarter of 2010 as compared to the first quarter of 2009, resulting in an organic decline of \$33.6 in severance expense. The decrease was partially offset by higher incentive award expense of \$12.4 primarily due to the impact of a favorable adjustment in the first quarter of 2009 to our forfeiture rate as a result of higher actual forfeitures compared to estimates.

We have evaluated the provisions of the recently enacted Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act of 2010 and believe they will not have a significant impact on us in the foreseeable future.

Changes in our incentive awards mix can impact future-period expense, as annual bonus awards are expensed during the year they are earned and long-term incentive awards are expensed over the performance period, generally three years. Factors impacting long-term incentive awards are the actual number of awards vesting, the change in our stock price and changes to our projected results, which could impact the achievement of certain performance targets. See Note 6 to the unaudited Consolidated Financial Statements for further information on our incentive compensation plans.

The following table details our salaries and related expenses as a percentage of total consolidated revenue.

	Three months ended March 31,	
	2010	2009
Salaries and related expenses	73.0%	75.2%
Base salaries, benefits and tax	61.7%	64.3%
Incentive expense	4.0%	3.0%
Severance expense	0.8%	3.1%
Temporary help	3.6%	2.7%
All other salaries and related expenses	2.9%	2.1%

Our staff cost ratio, defined as salaries and related expenses as a percentage of total consolidated revenue, decreased to 73.0% in the first quarter of 2010 from 75.2% in the first quarter of 2009, primarily driven by lower base salaries, benefits and tax and severance expense, partially offset by an increase in incentive award expense.

Office and general expenses in the first quarter of 2010 increased by \$10.2 compared to the first quarter of 2009, primarily consisting of an adverse foreign currency rate impact of \$20.1 partially offset by an organic decrease of \$9.7. The organic improvement was primarily related to lower occupancy costs, which is partly due to lease terminations we initiated in 2009, and lower professional fees. This was partially offset by a foreign exchange loss related to our Venezuelan agencies transitioning to inflationary accounting as of January 1, 2010. As a result, we recorded a foreign currency exchange translation loss of approximately \$5.0 in the first quarter of 2010 primarily due to the significant devaluation that occurred to the official rate in January 2010. We do not have significant operations in Venezuela, and therefore we do not expect this devaluation to have a material impact to our future operating results.

The following table details our office and general expenses as a percentage of total consolidated revenue. All other office and general expenses primarily include production expenses, and to a lesser extent, depreciation and amortization, bad debt expense, foreign currency gains (losses) and other expenses.

	Three months ended March 31,	
	2010	2009
Office and general expenses	31.4%	31.0%
Professional fees	2.1%	2.3%
Occupancy expense (excluding depreciation and amortization)	9.3%	9.6%
Travel & entertainment, office supplies and telecommunications	4.1%	4.0%
All other office and general expenses	15.9%	15.1%

Our office and general expense ratio, defined as office and general expenses as a percentage of total consolidated revenue, increased slightly to 31.4% in the first quarter of 2010 from 31.0% in the first quarter of 2009, primarily driven by foreign currency losses related to Venezuela, partially offset by lower occupancy costs and professional fees.

Total (expenses) and other income	<u>\$ (25.6)</u>	<u>\$ (17.6)</u>

Net Interest Expense

For the three months ended March 31, 2010, as compared to the three months ended March 31, 2009, cash interest expense, largely related to our short-term obligations, and interest income both decreased, primarily due to lower interest rates, mostly in the United Kingdom, Continental Europe and the United States. Non-cash interest expense was virtually unchanged compared to the prior year period due to a decrease of deferred warrant costs and amortization of debt issuance costs in connection with the expiration of our \$750.0 Three-Year Credit Agreement, dated as of June 13, 2006, in June 2009, offset by changes in the value of obligations to purchase noncontrolling equity shares of consolidated subsidiaries. The value of these obligations may fluctuate depending on projected future operating performance of these subsidiaries. See Note 9 to the unaudited Consolidated Financial Statements for further information.

INCOME TAXES

	2010	2009
Loss before income taxes	\$ (85.0)	\$ (99.5)
Benefit of income taxes	\$ (15.3)	\$ (25.4)

The effective tax rate for the first quarter of 2010 was 18.0%, compared to 25.5% in the first quarter of 2009. Our tax rates are affected by many factors, including our worldwide earnings from various countries, changes in legislation and tax characteristics of our income. Specifically, for the three months ended March 31, 2010, the difference between the effective tax rate and the statutory rate of 35% is primarily due to losses in certain foreign locations where we receive no tax benefit due to 100% valuation allowances, the establishment of valuation allowances in Europe and the loss from the devaluation of the Venezuelan currency, for which we received no tax benefit.

For the three months ended March 31, 2009, the difference between the effective tax rate and the statutory rate of 35% is primarily due to state and local taxes, losses in certain foreign locations where we receive no tax benefit due to 100% valuation allowances and the write-off of deferred tax assets related to restricted stock.

Segment Results of Operations – Three Months Ended March 31, 2010 Compared to Three Months Ended March 31, 2009

As discussed in Note 8 to the unaudited Consolidated Financial Statements, we have two reportable segments as of March 31, 2010: Integrated Agency Networks (“IAN”) and Constituency Management Group (“CMG”). We also report results for the Corporate and other group.

IAN

REVENUE

	Three months ended March 31, 2009	Components of change			Three months ended March 31, 2010	Change		
		Foreign currency	Net acquisitions/ (divestitures)			Organic	Organic	Total
			(1.5)	\$ (42.4)

Domestic	641.5	—	(1.8)	3.5	643.2	0.5%	0.3%	
International	473.4	48.5	0.3	(45.9)	476.3	(9.7%)	0.6%	

During the first quarter of 2010, IAN revenue increased by \$4.6 compared to the first quarter of 2009, primarily consisting of a favorable foreign currency impact of \$48.5 partially offset by an organic revenue decrease of \$42.4. The organic revenue decrease was primarily driven by spending declines and lost assignments from several of our largest clients in our largest sector, technology and telecom. This decrease was partially offset by increases in nearly all other sectors, primarily in the domestic region, due to increased client spending and net client wins in certain of our advertising and media businesses. The international organic decrease was predominantly at our advertising businesses, with the largest impact in the Continental Europe region, primarily in Germany and France, and the Asia Pacific region, primarily in China.

SEGMENT OPERATING LOSS

Management's Discussion and Analysis of Financial Condition and Results of Operations – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

Operating loss improved during the first quarter of 2010 when compared to the first quarter of 2009 due to decreases in salaries and related expenses of \$21.2 and increases in revenue of \$4.6, partially offset by increases in office and general expenses of \$2.4. The decrease in salaries and related expenses was primarily due to lower base salaries, benefits and temporary help, as well as lower severance expense resulting from work force actions in 2009 across all agencies within IAN. These reductions were partially offset by an increase in incentive award expense during the first quarter of 2010 consistent with the explanations provided in the consolidated Salaries and Related Expenses section. In addition, the operating loss includes a foreign currency exchange translation loss of approximately \$5.0 related to the significant devaluation to the currency of Venezuela.

CMG

REVENUE

	Three months ended March 31, 2009	Components of change			Three months ended March 31, 2010	Change	
		Foreign currency	Net acquisitions/ (divestitures)	Organic		Organic	Total
Consolidated	\$ 210.4	\$ 7.0	\$ —	\$ 4.4	\$ 221.8	2.1%	5.4%
Domestic	139.9	—	—	20.0	159.9	14.3%	14.3%
International	70.5	7.0	—	(15.6)	61.9	(22.1%)	(12.2%)

During the first quarter of 2010, CMG revenue increased by \$11.4, compared to the first quarter of 2009, due to a favorable foreign currency impact of \$7.0 and an organic revenue increase of \$4.4. The domestic organic revenue increase was primarily due to net client wins in our events and sports marketing businesses as well as our public relations businesses. The international organic decrease occurred primarily in the United Kingdom in our events marketing business due to the completion of several projects with existing clients in the first quarter of 2009 that did not recur in the first quarter of 2010. Revenues in the events marketing business can fluctuate due to timing of completed projects where we act as principal, as revenue is typically recognized when the project is complete.

SEGMENT OPERATING INCOME

	Three months ended March 31,		
	2010	2009	Change
Segment operating income	\$8.5	\$4.5	88.9%
Operating margin	3.8%	2.1%	

Operating income increased during the first quarter of 2010 when compared to the first quarter of 2009 due to an increase in revenue of \$11.4, partially offset by increases in office and general expenses of \$4.5 and salaries and related expenses of \$2.9. Office and general expenses increased primarily due to higher production expenses. Salaries and related expenses increased primarily due to an unfavorable foreign currency impact.

CORPORATE AND OTHER

Certain corporate and other charges are reported as a separate line item within total segment operating loss and include corporate office expenses and shared service center expenses, as well as certain other centrally managed expenses that are not fully allocated to operating divisions. Salaries and related expenses include salaries, long-term incentives, bonuses, and other miscellaneous benefits for corporate office employees. Office and general expenses primarily include professional fees related to internal control compliance, financial statement audits and legal, information technology and other consulting services, which are engaged and managed through the corporate office. In addition, office and general expenses also include

Management's Discussion and Analysis of Financial Condition and Results of Operations – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

rental expense and depreciation of leasehold improvements for properties occupied by corporate office employees. A portion of these expenses are allocated to operating divisions based on a formula that uses the planned revenues of each of the operating units. Amounts allocated also include specific charges for information technology-related projects, which are allocated based on utilization.

Corporate and other expenses increased during the first quarter of 2010 by \$4.4 to \$33.5 compared to the first quarter of 2009. Corporate and other expenses increased as a result of lower expense allocations to our operating units in the first quarter of 2010 when compared to the prior-year period.

LIQUIDITY AND CAPITAL RESOURCES

CASH FLOW OVERVIEW

Our key liquidity metrics are operating cash flow and changes in working capital. The following tables summarize key financial data relating to our liquidity, capital resources and uses of capital.

Cash Flow Data	Three months ended	
	March 31,	
	2010	2009
Net cash used in operating activities	\$ (555.5)	\$ (557.3)
Net cash provided by investing activities	13.0	125.8
Net cash used in financing activities	(16.2)	(15.9)
Net working capital usage (included in operating activities)	\$ (482.5)	\$ (485.0)

Balance Sheet Data	March 31,	December 31,	March 31,
	2010	2009	2009
Cash, cash equivalents and marketable securities	\$1,941.5	\$ 2,506.1	\$1,658.5
Short-term borrowings	\$ 86.3	\$ 93.4	\$ 73.6
Current portion of long-term debt	215.5	215.2	253.6
Long-term debt	1,634.5	1,638.0	1,781.9
Total debt	<u>\$1,936.3</u>	<u>\$ 1,946.6</u>	<u>\$2,109.1</u>

Operating Activities

Net cash used in operating activities during the first three months of 2010 was \$555.5, which is an improvement of \$1.8 as compared to the first three months of 2009, primarily the result of an improvement in net loss of \$3.3. Net cash used in operating activities primarily reflects net loss of \$70.3, working capital cash usage of \$482.5 and net adjustments to reconcile net loss of \$23.4. Net adjustments to reconcile net loss primarily include depreciation and amortization of fixed assets and intangible assets, amortization of restricted stock and other non-cash compensation and deferred income tax benefits. Cash generated or used by working capital reflects changes in accounts receivable, expenditures billable to clients, prepaid expenses and other current assets, accounts payable and accrued liabilities. Due to the seasonality of our business, we typically generate cash from working capital in the fourth quarter and use cash from working capital in the first quarter. The net working capital usage in the first three months of 2010 was primarily impacted by our media businesses.

The timing of media buying on behalf of our clients affects our working capital and operating cash flow. In most of our businesses, our agencies enter into commitments to pay production and media costs on behalf of clients. To the extent possible we pay production and media charges after we have received funds from our clients. The amounts involved substantially exceed our revenues, and primarily affect the level of accounts receivable, expenditures billable to clients, accounts payable and accrued media and production liabilities. Our assets include both cash received and accounts receivable from clients for these pass-through arrangements, while our liabilities include amounts owed on behalf of clients to media and production suppliers.

Management's Discussion and Analysis of Financial Condition and Results of Operations – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

Our accrued liabilities are also affected by the timing of certain other payments. For example, while cash incentive awards are accrued throughout the year, they are generally paid during the first quarter of the subsequent year.

Investing Activities

Net cash provided by investing activities during the first three months of 2010 includes net proceeds from the sales of investments, partially offset by capital expenditures and deferred payments on prior acquisitions.

Financing Activities

Net cash used in financing activities during the first three months of 2010 primarily reflects dividend payments of \$6.9 on our Series B Preferred Stock and distributions to noncontrolling interests of \$4.5.

Foreign Exchange Rate Changes

The effect of foreign exchange rate changes on cash and cash equivalents included in the unaudited Consolidated Statements of Cash Flows resulted in a decrease of \$7.7 during the three months ended March 31, 2010. This decrease primarily reflects the weakening of the Euro against the U.S. Dollar during this period.

LIQUIDITY OUTLOOK

We expect our cash flow from operations, cash and cash equivalents to be sufficient to meet our anticipated operating requirements at a minimum for the next twelve months. We also have a committed corporate credit facility available to support our operating needs. Although we believe economic conditions are improving, the impact of the global economic recession continues to have a lagging effect on the demand for advertising and marketing services and could challenge our level of cash generation from operations. We continue to maintain a conservative approach to liquidity, which we believe is appropriate for us. We maintain substantial flexibility over significant uses of cash, including our capital expenditures and cash used for new acquisitions. We are closely managing our spending and will defer or limit discretionary spending where appropriate, while continuing to position ourselves for growth in the future.

From time to time we evaluate market conditions and financing alternatives for opportunities to raise additional financing or otherwise improve our liquidity profile and enhance our financial flexibility. Our ability to access the capital markets depends on a number of factors, which include those specific to us, such as our credit rating, and those related to the financial markets, such as the amount or terms of available credit. There can be no guarantee that we would be able to access new sources of liquidity on commercially reasonable terms.

Funding Requirements

Our most significant funding requirements include: our operations, non-cancelable operating lease obligations, acquisitions, capital expenditures, debt service, preferred stock dividends, contributions to pension and postretirement plans and taxes. Additionally, we may be required to make payments to minority owners if certain put options related to prior acquisitions are exercised. Notable funding requirements include:

- Debt service – Our Floating Rate Senior Unsecured Notes due 2010 (the “2010 Notes”) matures on November 15, 2010. As of March 31, 2010 we had \$213.7 aggregate principal amount of the 2010 Notes outstanding, and in April 2010 we repurchased \$21.4 aggregate principal amount of the 2010 Notes. We expect to use available cash to retire the remaining 2010 Notes. The remainder of our debt is primarily long-term, with maturities scheduled from August 2011 to 2023.
- Acquisitions – In addition to cash expenditures for new acquisitions, for the remainder of 2010 we expect to pay approximately \$34.0 related to acquisitions completed in previous years. We may also be required to pay

Management’s Discussion and Analysis of Financial Condition and Results of Operations – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

approximately \$22.0 related to put options that are exercisable during 2010. We expect to continue to evaluate strategic opportunities to grow and to increase our ownership interests in current investments, particularly in our digital and marketing services offerings, and to expand our presence in high-growth markets.

- Contributions to pension and postretirement plans – Our funding policy regarding our pension plans is to contribute amounts necessary to satisfy minimum pension funding requirements, plus such additional amounts as we consider appropriate to improve the plans’ funded status. For the three months ended March 31, 2010, we contributed \$6.5 to our foreign pension plans, while contributions to our domestic pension plans were \$9.6. For the remainder of 2010, we expect to contribute approximately \$17.0 to our foreign pension plans, while contributions to our domestic pension plans are expected to be negligible. A significant portion of our contributions to the foreign pension plans relates to the Interpublic Pension Plan in the U.K. (the “U.K. Pension Plan”). Additionally, we are in the process of modifying the schedule of employer contributions for the U.K. Pension Plan, which we expect to finalize in 2010. As a result, our contributions to our foreign pension plans may increase in 2010 and subsequent years.
- Preferred stock – We pay regular quarterly dividends on our Series B Preferred Stock of \$6.9, or \$27.6 annually. On April 29, 2010, we launched a tender offer to purchase up to 370,000 shares (actual number) of our outstanding Series B Preferred Stock, with the price per share to be determined based on a formula taking into account the average trading price of our common shares over a reference period. We plan to use available cash to pay the aggregate purchase price of up to \$400.0 (inclusive of accrued dividends) for the shares tendered.

FINANCING AND SOURCES OF FUNDS

Substantially all of our operating cash flow is generated by our agencies. Our cash balances are held in numerous jurisdictions throughout the world, primarily at the holding company level and at our largest subsidiaries. Below is a summary of our sources of liquidity.

	March 31, 2010			Total Available
	Total Facility	Amount Outstanding	Letters of Credit ¹	
Cash, cash equivalents and marketable securities				\$1,941.5
Committed				
Credit Agreement	\$335.0 ²	\$ —	\$ 18.7	\$ 316.3
Uncommitted	\$414.6	\$ 86.3	\$ 0.1	\$ 328.2

¹ We are required from time to time to post letters of credit, primarily to support obligations of our subsidiaries. These letters of credit have historically not been drawn upon.

² On April 23, 2010, the size of this facility was increased from \$335.0 to \$650.0.

Credit Facilities

We maintain a committed corporate credit facility to increase our financial flexibility. On April 23, 2010 we amended and restated our credit agreement originally dated as of July 18, 2008 (the “Credit Agreement”), which increased commitments of the lenders to \$650.0 from \$335.0. We have not drawn on any of our corporate credit facilities since 2003, although we use them for letters of credit primarily to support obligations of our subsidiaries. The Credit Agreement is a revolving facility expiring July 18, 2013, under which amounts borrowed by us or any of our subsidiaries designated under the Credit Agreement may be repaid and reborrowed, subject to an aggregate lending limit of \$650.0 or the equivalent in other currencies. The aggregate available amount of letters of credit outstanding may decrease or increase, subject to a limit on letters of credit of \$200.0 or the equivalent in other currencies. Our obligations under the Credit Agreement are unsecured.

The revised financial covenants in the Credit Agreement require that we maintain, as of the end of each fiscal quarter: (i) an interest coverage ratio (EBITDA to net interest expense plus cash dividends on convertible preferred stock) for the four

Management’s Discussion and Analysis of Financial Condition and Results of Operations – (continued)
(Amounts in Millions, Except Per Share Amounts)
(Unaudited)

quarters then ended of not less than 3.75 to 1 for the second and third quarters of 2010, 4.00 to 1 for the fourth quarter of 2010, 4.25 to 1 for the first quarter of 2011, and stepping up gradually until we reach 5.75 to 1 for the third quarter of 2012 and thereafter; (ii) a leverage ratio (debt as of such date to EBITDA) for the four quarters then ended of not greater than 3.75 to 1 for the second and third quarters of 2010, 3.25 to 1 for the fourth quarter of 2010 and the first two quarters of 2011 and stepping down gradually until we reach 2.50 to 1 for the second quarter of 2012 and thereafter; and (iii) minimum EBITDA for the four quarters then ended of not less than \$550.0 through the third quarter of 2011 and \$600.0 thereafter. For purposes of the leverage ratio and interest coverage ratio calculated for any date in 2010, we may exclude from our total debt up to \$300.0 of any new senior notes we issue in 2010 with a minimum maturity of five years, less the amount of proceeds of such new indebtedness that are applied to reduce the principal amount of certain of our debt that is currently outstanding. Under certain circumstances, up to \$85.0 in principal amount of such new senior notes may be permanently excluded from total debt for purposes of such covenant calculations.

We were in compliance with all applicable restrictive and financial covenants in the Credit Agreement as of March 31, 2010, which was prior to the April 23, 2010 amendment and restatement that established the financial covenant levels described in the preceding paragraph. The table below shows the status of our compliance with the financial covenants as of March 31, 2010.

<u>Financial Covenants</u>	<u>Four Quarters Ended March 31, 2010</u>	<u>EBITDA Reconciliation</u>	<u>Four Quarters Ended March 31, 2010</u>
Interest coverage ratio (not less than)	3.75x	Operating income	\$ 363.8
Actual interest coverage ratio	4.35x	Add:	
		Depreciation and amortization	219.3
Leverage ratio (not greater than)	3.75x	Non-cash charges	0.7
Actual leverage ratio	3.32x	EBITDA	<u>\$ 583.8</u>
EBITDA (not less than)	\$ 520.0		
Actual EBITDA	\$ 583.8		

If we are unable to comply with our financial covenants in the future, we would seek an additional amendment or waiver from our lenders, but there is no assurance that our lenders would grant an amendment or waiver. If we do not comply with these financial covenants and are unable to obtain the necessary amendment or waiver, the Credit Agreement could be terminated and our lenders could accelerate payments of any outstanding principal. In addition, under those circumstances we could be required to deposit funds with one of our lenders in an amount equal to any outstanding letters of credit under the Credit Agreement.

In December 2009, we entered into a letter of credit agreement (the “2009 LC Agreement”). This agreement provides additional letter of credit capacity and enabled us to replace a portion of the letters of credit that were previously outstanding under the Credit Agreement, which freed up additional borrowing capacity under the Credit Agreement. Under the 2009 LC Agreement, the face amount of letters of credit outstanding is subject to an aggregate limit at any one time of £45.0 (equivalent as of March 31, 2010 to \$67.4). As of March 31, 2010, we have the equivalent of \$62.9 of letters of credit outstanding under the 2009 LC Agreement. IPG has guaranteed any obligations of our subsidiaries under this facility.

We also have uncommitted credit facilities with various banks that permit borrowings at variable interest rates. We use our uncommitted credit lines for working capital needs at some of our operations outside the United States, and the amount outstanding as of March 31, 2010 was \$86.3. We have guaranteed the repayment of some of these borrowings made by certain subsidiaries. If we lose access to these credit lines, we would have to provide funding directly to some of our international operations. The weighted-average interest rate on outstanding balances under the uncommitted credit facilities as of March 31, 2010 was approximately 1.0%.

Cash Pooling

We aggregate our net domestic cash position on a daily basis. Outside the United States we use cash pooling arrangements with banks to help manage our liquidity requirements. In these pooling arrangements, several IPG agencies agree with a single bank that the cash balances of any of the agencies with the bank will be subject to a full right of setoff against amounts the other agencies owe the bank, and the bank provides for overdrafts as long as the net balance for all the agencies does not exceed an agreed-upon level. Typically, each agency pays interest on outstanding overdrafts and receives interest on cash balances. Our unaudited Consolidated Balance Sheets reflect cash, net of bank overdrafts, under all of our pooling arrangements, and as of March 31, 2010, the amount netted was \$958.1.

DEBT RATINGS

Our long-term debt credit ratings as of April 16, 2010 are listed below.

	<u>Moody's Investor Service</u>	<u>Standard and Poor's</u>	<u>Fitch Ratings</u>
Rating	Ba2	B+	BB+
Outlook	Positive	Positive	Positive

The most recent changes in our credit ratings occurred in March 2010 when Moody's Investor Service upgraded our rating from Ba3 to Ba2 and Standard and Poor's upgraded our outlook from stable to positive. A credit rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the assigning credit rating agency. The rating of each credit rating agency should be evaluated independently of any other rating.

CRITICAL ACCOUNTING ESTIMATES

Our significant accounting policies are described in Note 1 to the Consolidated Financial Statements for the year ended December 31, 2009 included in our 2009 Annual Report on Form 10-K. As summarized in Item 7, *Management's Discussion and Analysis of Financial Condition and Results of Operations*, in our Annual Report, we believe that certain of these policies are critical because they are important to the presentation of our financial condition and results of operations, and they require management's most difficult, subjective or complex judgments, often as a result of the need to estimate the effect of matters that are inherently uncertain. These critical estimates relate to revenue recognition, income taxes, goodwill and other intangible assets, and pension and postretirement benefits. We base our estimates on historical experience and various other factors that we believe to be relevant under the circumstances. Estimation methodologies are applied consistently from year to year, and there have been no significant changes in the application of critical accounting estimates since December 31, 2009. Actual results may differ from these estimates under different assumptions or conditions.

RECENT ACCOUNTING STANDARDS

See Note 11 to the unaudited Consolidated Financial Statements for further information of certain accounting standards that have been adopted during 2010 and certain accounting standards that we have not yet been required to implement and may be applicable to our future operations.

Item 3. Quantitative and Qualitative Disclosures about Market Risk

In the normal course of business, we are exposed to market risks related to interest rates, foreign currency rates and certain balance sheet items. There has been no significant change in our exposure to market risk during the three months ended March 31, 2010. Our exposure to market risk for changes in interest rates primarily relates to the fair market value of our debt obligations. As of March 31, 2010 and December 31, 2009, approximately 84% of our debt obligations bore interest at fixed interest rates. We enter into interest rate swaps for risk management purposes to manage our exposure to changes in interest rates and to maintain a mix of fixed and floating rate debt. In February 2010, we terminated all of our interest rate swap agreements. See Note 4 to the unaudited Consolidated Financial Statements for more information. For a further discussion of our exposure to market risk, refer to Item 7A, *Quantitative and Qualitative Disclosures About Market Risk*, in our 2009 Annual Report on Form 10-K.

Item 4. Controls and Procedures

Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures (as such term is defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) as of the end of the period covered by this Quarterly Report on Form 10-Q. Based on this evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of March 31, 2010, the Company's disclosure controls and procedures were effective to provide reasonable assurance that information required to be disclosed in reports that we file or submit under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in SEC rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate to allow timely decisions regarding required disclosures.

There are inherent limitations to the effectiveness of any system of disclosure controls and procedures, including the possibility of human error and the circumvention or overriding of the controls and procedures. Accordingly, even effective disclosure controls and procedures can only provide reasonable assurance of achieving their control objectives.

Changes in Internal Control Over Financial Reporting

There has been no change in internal control over financial reporting in the quarter ended March 31, 2010 that has materially affected, or is reasonably likely to materially affect, our internal control over financial reporting.

² Consists of 15,325 shares of our common stock that we received as consideration for the sale of our interest in a company that we previously had acquired (the "Acquisition Shares").

³ The average price per month of the Withheld Shares was calculated by dividing the aggregate value of the tax withholding obligations for each month by the aggregate number of shares of our common stock withheld in such month.

⁴ The price of the Acquisition Shares was determined using the closing price of \$6.41 per share of our common stock on the New York Stock Exchange on February 4, 2010, the completion date of the sale of our interest in a previously acquired company.

Working Capital Restrictions and Other Limitations on the Payment of Dividends

The Credit Agreement contains certain covenants that, among other things, and subject to certain exceptions, restrict us from making cash acquisitions, making capital expenditures, repurchasing our common stock and declaring or paying cash dividends on our common stock, in excess of an aggregate basket of \$600.0 million in any fiscal year, of which we may carry forward unused amounts of up to \$200.0 million to the next fiscal year, provided that (a) if we have a leverage ratio of greater than 2.75 to 1 at the end of any fiscal year, we may not carry forward unused amounts, and cash common stock dividends and net share repurchases not otherwise permitted will be restricted to \$400.0 million for the next fiscal year, and (b) if we have a leverage ratio of 2.75 to 1 or less at the end of any fiscal year, in the next fiscal year the aggregate basket will be \$800.0 million and cash common stock dividends and net share repurchases not otherwise permitted may not exceed \$600.0 million. In addition, the aggregate basket in any fiscal year, but not the amount for cash common stock and net share repurchases, may be increased, subject to certain limitations, by up to \$100.0 million of net cash proceeds from dispositions made during such fiscal year.

In addition, the terms of our outstanding series of preferred stock do not permit us to pay dividends on our common stock unless all accumulated and unpaid dividends on our preferred stock have been or contemporaneously are declared and paid or provision for the payment thereof has been made.

The principal amount of any Swing Line Borrowing made pursuant to this Section 2.02(b) shall accrue interest at the Base Rate and shall be for the account of the Swing Line Bank from the date such funds are made available to such Borrower to the date on which each other Lender purchases from such Swing Line Bank and such Swing Line Bank sells and assigns to each such other Lender such other Lender's Ratable Share of such outstanding Swing Line Advance pursuant to the immediately following sentence of this Section 2.02(b). Upon written demand by any Swing Line Bank with a Swing Line Advance, with a copy of such demand to the Agent, each other Lender will purchase from such Swing Line Bank, and such Swing Line Bank shall sell and assign to each such other Lender, such other Lender's Ratable Share of such outstanding Swing Line Advance, by making available for the account of its Applicable Lending Office to the Agent for the account of such Swing Line Bank, by deposit or transfer to the Agent's Account, in same day funds, an amount equal to the portion of the outstanding principal amount of such Swing Line Advance to be purchased by such Lender. In the case of any Revolving Credit Borrowing that the related Notice of Revolving Credit Borrowing specifies is to be comprised of Eurocurrency Rate Advances, the applicable Borrower requesting such Revolving Credit Borrowing shall indemnify each applicable Lender against any loss, cost or expense incurred by such Lender as a result of any failure to fulfill on or before the date specified in such Notice of Revolving Credit Borrowing for such Revolving Credit Borrowing the applicable conditions set forth in Article III, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by such Lender to fund the Advance to be made by such Lender as part of such Revolving Credit Borrowing when such Advance, as a result of such failure, is not made on such date.

(e) Unless the Agent shall have received notice from an applicable Lender prior to the time of any Revolving Credit Borrowing, except with respect to Borrowings pursuant to Section 2.03(c), or any Swing Line Borrowing, as the case may be, that such Lender will not make available to the Agent such Lender's ratable portion of such Revolving Credit Borrowing or Swing Line Borrowing, as the case may be, the Agent may assume that such Lender has made such portion available to the Agent on the date of such Revolving Credit Borrowing or Swing Line Borrowing, as the case may be, in accordance with subsection (a) or (b) of this Section 2.02 and the Agent may, in reliance upon such assumption, make available to the applicable Borrower proposing the Borrowing on such date a corresponding amount. If and to the extent that such Lender shall not have so made such ratable portion available to the Agent, such Lender agrees to repay to the Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to such Borrower until the date such amount is repaid to the Agent provided, however, that if such Lender does not repay the Agent such Borrower agrees to repay the Agent forthwith on demand such corresponding amount with interest thereon, at (i) in the case of such Borrower, the higher of (A) the interest rate applicable at the time to the Advances comprising such Borrowing and (B) the cost of funds incurred by the Agent in respect of such amount and (ii) in the case of such Lender, (A) the Federal Funds Rate in the case of Advances denominated in Dollars or (B) the cost of funds incurred by the Agent in respect of such amount in the case of Advances denominated in Committed Currencies. If such Lender shall repay to the Agent such corresponding amount, such amount so repaid shall constitute such Lender's Revolving Credit Advance as part of such Revolving Credit Borrowing or the Swing Line Bank's Swing Line Advance as part of such Swing Line Borrowing for purposes of this Agreement.

(f) The failure of any applicable Lender or Swing Line Bank to make the Revolving Credit Advance, except Advances made pursuant to Section 2.03(c), or Swing Line Advance, as the case may be, to be made by it as part of any Borrowing shall not relieve any other Lender or Swing Line Bank of its obligation, if any, hereunder to make its Revolving Credit Advance or Swing Line Advance on the date of such Revolving Credit Borrowing or Swing Line Borrowing, as the case may be, but no Lender or Swing Line Bank shall be responsible for the failure of any other Lender or Swing Line Bank to make the Revolving Credit Advance or Swing Line Advance to be made by such other Lender or Swing Line Bank on the date of any Revolving Credit Borrowing or Swing Line Borrowing, as the case may be.

SECTION 2.03. Issuance of and Drawings and Reimbursement Under Letters of Credit. (a) Request for Issuance. Each Letter of Credit shall be issued upon notice, given not later than 11:00 A.M. (New York City time) on the fifth Business Day prior to the date of the proposed issuance of such Letter of Credit (or on such shorter notice as the applicable Issuing Bank may agree), by any Borrower to any Issuing Bank, and such Issuing Bank shall give the Agent, prompt notice thereof by facsimile. Each such notice of issuance of a Letter of Credit (a "Notice of Issuance") shall be by telephone, confirmed immediately in writing, or facsimile, specifying therein the requested (i) date of such issuance (which shall be a Business Day), (ii) Available Amount and currency of such Letter of Credit, (iii) expiration date of such Letter of Credit (which expiration date shall not be later than the earlier of (x) 15 days prior to the Termination Date or (y) the date that is one year after the issuance thereof; provided that any such Letter of Credit which provides for automatic one-year extension(s) of such expiration date shall be deemed to comply with the foregoing requirement if the applicable Issuing Bank has the unconditional right to prevent any such automatic extension from taking place and each Issuing Bank hereby agrees to exercise such right to prevent any such automatic extension for each such Letter of Credit outstanding after the Termination Date; and provided, further, that the expiration date of a Special Letter of Credit shall be determined as set forth in Section 2.01(c)), (iv) name and address of the beneficiary of such Letter of Credit and (v) form of such Letter of Credit, and

shall be accompanied by such customary application as such Issuing Bank may specify to the Borrower requesting such issuance for use in connection with such requested Letter of Credit. If the requested form of such Letter of Credit is acceptable to such Issuing Bank in its sole discretion, such Issuing Bank will, upon fulfillment of the applicable conditions set forth in Article III, make such Letter of Credit available to the Borrower requesting such issuance at its office referred to in Section 9.02 or as otherwise agreed with such Borrower in connection with such issuance. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by a Borrower to, or entered into by a Borrower with, the Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control.

(b) Participations. By the issuance of a Letter of Credit (or an amendment to a Letter of Credit increasing the amount thereof) and without any further action on the part of the applicable Issuing Bank or the Lenders, such Issuing Bank hereby grants to each Lender, and each Lender hereby acquires from such Issuing Bank, a participation in such Letter of Credit equal to such Lender's Ratable Share of the Available Amount of such Letter of Credit. Each Borrower hereby agrees to each such participation. In consideration and in furtherance of the foregoing, each Lender hereby absolutely and unconditionally agrees to pay to the Agent, for the account of such Issuing Bank, such Lender's Ratable Share of each drawing made under a Letter of Credit funded by such Issuing Bank and not reimbursed by the applicable Borrower on the date made, or of any reimbursement payment required to be refunded to any Borrower for any reason, which amount will be advanced, and deemed to be an Advance to such Borrower hereunder, regardless of the satisfaction of the conditions set forth in Section 3.03. Each Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Lender further acknowledges and agrees that its participation in each Letter of Credit will be automatically adjusted to reflect such Lender's Ratable Share of the Available Amount of such Letter of Credit at each time such Lender's Revolving Credit Commitment is amended pursuant to an assignment in accordance with Section 9.07 or otherwise pursuant to this Agreement. Notwithstanding anything to the contrary in the preceding sentences of this Section 2.03(b), (i) each Lender's obligation to acquire participations pursuant thereto with respect to any Special Letter of Credit shall expire on the day that is 15 days prior to the Termination Date and (ii) each Lender's existing participation, if any, pursuant thereto with respect to any Special Letter of Credit shall terminate on the day that is 15 days prior to the Termination Date.

(c) Drawing and Reimbursement. The payment by an Issuing Bank of a draft drawn under any Letter of Credit shall constitute for all purposes of this Agreement the making by any such Issuing Bank of a Revolving Credit Advance (and shall be made whether or not the conditions set forth in Section 3.03 have been satisfied; it being understood that no representations or warranties shall be made or deemed made by any Borrower in connection with such drawing), which, in the case of a Letter of Credit denominated in Dollars, shall be a Base Rate Advance, in the amount of such draft or, in the case of a Letter of Credit denominated in any currency other than Dollars, shall be a Base Rate Advance in the Equivalent in Dollars on the date such draft is paid. Each Issuing Bank shall give prompt notice (and such Issuing Bank will use its commercially reasonable efforts to deliver such notice within one Business Day) of each drawing under any Letter of Credit issued by it to the Company, the applicable Borrower (if not the Company) and the Agent. Upon written demand by such Issuing Bank, with a copy of such demand to the Agent and the Company, each Lender shall pay to the Agent such Lender's Ratable Share of such outstanding Advance, by making available for the account of its Applicable Lending Office to the Agent for the account of such Issuing Bank, by deposit to the Agent's Account, in same day funds, an amount equal to the portion of the outstanding principal amount of such Advance to be funded by such Lender. Each Lender acknowledges and agrees that its obligation to make Advances pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Promptly after receipt thereof, the Agent shall transfer such funds to such Issuing Bank. Each Lender agrees to fund its Ratable Share of any such outstanding Advance on (i) the Business Day on which demand therefor is made by such Issuing Bank, provided that notice of such demand is given not later

than 11:00 A.M. (New York City time) on such Business Day, or (ii) the first Business Day next succeeding such demand if notice of such demand is given after such time. If and to the extent that any Lender shall not have so made the amount of such Advance available to the Agent, such Lender agrees to pay to the Agent forthwith on demand such amount together with interest thereon, for each day from the date of demand by any such Issuing Bank until the date such amount is paid to the Agent, at the Federal Funds Rate for its account or the account of such Issuing Bank, as applicable. If such Lender shall pay to the Agent such amount for the account of any such Issuing Bank on any Business Day, such amount so paid in respect of principal shall constitute a Revolving Credit Advance made by such Lender on such Business Day for purposes of this Agreement, and the outstanding principal amount of such Advance made by such Issuing Bank shall be reduced by such amount on such Business Day. Notwithstanding anything to the contrary in the preceding sentences of this Section 2.03(c): (x) each Lender's obligation to pay its Ratable Share of any Advances pursuant thereto in respect of any Special Letters of Credit shall expire on the day that is 15 days prior to the Termination Date (the "Participation Cut-Off Date"); and (y) on and after the Participation Cut-Off Date, each drawing under a Special Letter of Credit shall be deemed not to constitute an Advance, but shall instead constitute an immediate obligation of the applicable Borrower to reimburse the full amount of such drawing, which obligation shall be satisfied to the extent that funds are on deposit in the special sub-account of the L/C Cash Deposit Account (as described in Section 2.10(c)) by application of such funds in accordance with Section 2.10(c).

(d) Letter of Credit Reports. Each Issuing Bank shall furnish (A) to the Agent and each Lender on the first Business Day of each month a written report summarizing issuance and expiration dates of Letters of Credit issued by such Issuing Bank during the preceding month and drawings during such month under all Letters of Credit and (B) to the Agent and each Lender (with a copy to the Company) on the first Business Day of each calendar quarter a written report setting forth the average daily aggregate Available Amount during the preceding calendar quarter of all Letters of Credit issued by such Issuing Bank (including, in each case, the Dollar Equivalent of any Letter of Credit denominated in a Committed L/C Currency).

(e) Failure to Make Advances. The failure of any Lender to make the Advance to be made by it on the date specified in Section 2.03(c) shall not relieve any other Lender of its obligation hereunder to make its Advance on such date, but no Lender shall be responsible for the failure of any other Lender to make the Advance to be made by such other Lender on such date.

SECTION 2.04. Fees. (a) Facility Fee. The Company agrees to pay to the Agent for the account of each Lender a facility fee on the aggregate amount of such Lender's Revolving Credit Commitment from the Restatement Date in the case of each Initial Lender and from the effective date specified in the Assumption Agreement or in the Assignment and Acceptance pursuant to which it became a Lender in the case of each other Lender until the Termination Date at a rate per annum equal to the Applicable Percentage in effect from time to time, payable in arrears quarterly on the last day of each March, June, September and December, commencing June 30, 2010, and on the Termination Date; provided that no Defaulting Lender shall be entitled to receive any facility fee in respect of its Revolving Credit Commitment for any period during which that Lender is a Defaulting Lender (and the Company shall not be required to pay such fee that otherwise would have been required to have been paid to that Defaulting Lender), other than a facility fee, as described above, on the aggregate principal amount of Advances funded by such Defaulting Lender outstanding from time to time.

(b) Letter of Credit Fees. (i) Each Borrower shall pay to the Agent for the account of each Lender a commission on such Lender's Ratable Share of the average daily aggregate Available Amount of all Letters of Credit issued at the request of such Borrower and outstanding from time to time on or after the Reinstatement Date at a rate per annum equal to the Applicable Margin for Eurocurrency Rate Advances in effect from time to time during such calendar quarter, payable in arrears quarterly on the third Business Day after the later of (a) receipt of an invoice for the letter of credit fees or (b) the last day of each March, June, September and December, commencing with the quarter ended June 30, 2010, and on the Termination Date payable upon demand; provided, that no Defaulting Lender shall be entitled to receive any commission in respect of Letters of Credit for any period during which that Lender is a Defaulting Lender (and the Borrowers shall not be required to pay such commission to that Defaulting Lender but shall pay such commission as set forth in Section 2.19); provided, further, that such commission shall be increased by 2% per annum upon the occurrence and during the continuation of an Event of Default if the Borrowers are required to pay Default Interest pursuant to Section 2.07(b).

(ii) Each Borrower shall pay to each Issuing Bank for its own account a fronting fee on the aggregate Available Amount of all Letters of Credit issued by such Issuing Bank at the request of such Borrower and outstanding from time to time during each calendar quarter at a rate per annum equal to 0.25% payable in arrears quarterly on the third Business Day after the later of (a) receipt of an invoice for the fronting fee or (b) the last day of each March, June, September and December, commencing with the quarter ended June 30, 2010, and on the Termination Date payable upon demand.

(c) Agent's Fees. The Company shall pay to the Agent for its own account such fees as may from time to time be agreed between the Company and the Agent.

SECTION 2.05. Optional Termination or Reduction of the Revolving Credit Commitments. (a) Ratable Reduction. The Company shall have the right, upon at least three Business Days' notice to the Agent, permanently to terminate in whole or to reduce ratably in part the unused portions of the respective Revolving Credit Commitments of the Lenders, provided that each partial reduction shall be in the aggregate amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof.

(b) Non-Ratable Reduction. The Company shall have the right, at any time, upon at least three Business Days' notice to a Defaulting Lender (with a copy to the Agent), to terminate in whole such Defaulting Lender's Revolving Credit Commitment. Such termination shall be effective with respect to such Defaulting Lender's Revolving Credit Commitment on the date set forth in such notice, provided, however, that such date shall be no earlier than three Business Days after receipt of such notice. Upon termination of a Lender's Revolving Credit Commitment under this Section 2.05(b), the Borrowers will pay all principal of, and interest accrued to the date of such payment on, Advances owing to such Defaulting Lender and pay any accrued facility fee payable to such Defaulting Lender pursuant to the provisions of Section 2.04(a), and all other amounts then payable to such Defaulting Lender hereunder (including, but not limited to, any increased costs, additional interest or other amounts owing under Section 2.11, any indemnification for taxes under Section 2.14, and any compensation payments due as provided in Section 9.04(c)); and upon such payments, the obligations of such Defaulting Lender hereunder shall, by the provisions hereof, be released and discharged; provided, however, that (i) such Defaulting Lender's rights under Sections 2.11, 2.14 and 9.04, and its obligations under Section 9.04(e) shall survive such release and discharge as to matters occurring prior to such date; and (ii) no claim that the Borrowers may have against such Defaulting Lender arising out of such Defaulting Lender's default hereunder shall be released or impaired in any way. Any reduction in the aggregate amount of the Commitments of the Lenders pursuant to this Section 2.05(b) may not be reinstated except as otherwise provided in Section 2.18; provided further, however, that if pursuant to this Section 2.05(b), the Borrowers shall pay to a Defaulting Lender any principal of, or interest accrued on, the Advances owing to such Defaulting Lender, then the Borrowers shall either (x) confirm to the Agent that no Default under Section 6.01(a) or (e) or Event of Default has occurred and is continuing or (y) pay or cause to be paid a ratable payment of principal and interest on Advances owing to all Non-Defaulting Lenders.

SECTION 2.06. Repayment. (a) Revolving Credit Advances. Each Borrower shall repay to the Agent for the ratable account of the Lenders on the Termination Date the aggregate principal amount of the Revolving Credit Advances then outstanding to such Borrower.

(b) Swing Line Advances. Each Borrower shall repay to the Agent for the account of the Swing Line Banks and each other Lender which has made a Swing Line Advance the outstanding principal amount of each Swing Line Advance made by each of them by no later than the earlier of (i) the tenth Business Day after the requested date of such Borrowing and (ii) the Termination Date.

(c) Letter of Credit Reimbursements. The obligation of any Borrower under this Agreement to repay any Advance that results from payment of a drawing under a Letter of Credit shall be unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including, without limitation, the following circumstances (it being understood that any such payment by a Borrower is without prejudice to, and does not constitute a waiver of, any rights such Borrower might have or might acquire as a result of the payment by any Lender of any draft or the reimbursement by such Borrower thereof):

(i) any lack of validity or enforceability of this Agreement, any Note, any Letter of Credit or any other agreement or instrument relating thereto (all of the foregoing being, collectively, the "L/C Related Documents");

(ii) any change in the time, manner or place of payment of any Letter of Credit;

(iii) the existence of any claim, set-off, defense or other right that any Borrower may have at any time against any beneficiary or any transferee of a Letter of Credit (or any Persons for which any such beneficiary or any such transferee may be acting), any Issuing Bank, the Agent, any Lender or any other Person, whether in connection with the transactions contemplated by the L/C Related Documents or any unrelated transaction;

(iv) any statement or any other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect;

(v) payment by any Issuing Bank under a Letter of Credit against presentation of a draft or certificate that does not substantially comply with the terms of such Letter of Credit;

(vi) any exchange, release or non-perfection of any collateral, or any release or amendment or waiver of or consent to departure from any guarantee, for all or any of the obligations of any Borrower in respect of the L/C Related Documents; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing that might, but for the provisions of this Section, constitute a legal or equitable discharge of any Borrower's obligations hereunder.

SECTION 2.07. Interest on Advances. (a) Scheduled Interest. Each Borrower shall pay interest on the unpaid principal amount of each Revolving Credit Advance and Swing Line Advance made to it and owing to each Lender from the date of such Revolving Credit Advance or Swing Line Advance, as the case may be, until such principal amount shall be paid in full, at the following rates per annum:

(i) Base Rate Advances. During such periods as such Revolving Credit Advance is a Base Rate Advance and for each Swing Line Advance, a rate per annum equal at all times to the sum of (x) the Base Rate in effect from time to time plus (y) the Applicable Margin in effect from time to time, payable in arrears quarterly on the last day of each March, June, September and December during such periods and on the date such Base Rate Advance shall be Converted or paid in full or Swing Line Advance is paid in full.

(ii) Eurocurrency Rate Advances. During such periods as such Advance is a Eurocurrency Rate Advance, a rate per annum equal at all times during each Interest Period for such Advance to the sum of (x) the Eurocurrency Rate for such Interest Period for such Advance plus (y) the Applicable Margin in effect from time to time, payable in arrears on the last day of such Interest Period and, if such Interest Period has a duration of more than three months, on each day that occurs during such Interest Period every three months from the first day of such Interest Period and on the date such Eurocurrency Rate Advance shall be Converted or paid in full.

(b) Default Interest. Upon the occurrence and during the continuance of an Event of Default under Section 6.01(a), the Agent may, and upon the request of the Required Lenders shall, require the Borrowers to pay interest ("Default Interest") on (i) the unpaid principal amount of each Advance owing to each Lender, payable in arrears on the dates referred to in clause (a)(i) or (a)(ii) above, at a rate per annum equal at all times to 2% per annum (in addition to the interest required to be paid on such Advance pursuant to clause (a)(i) or (a)(ii) above) and (ii) to the fullest extent permitted by law, the amount of any interest, fee or other amount payable hereunder that is not paid when due, from the date such amount shall be due until such amount shall be paid in full, payable in arrears on the date such amount shall be paid in full and on demand, at a rate per annum equal at all times to 2% per annum

above the rate per annum required to be paid on Base Rate Advances pursuant to clause (a)(i) above; provided, however, that following acceleration of the Advances pursuant to Section 6.01, Default Interest shall accrue and be payable hereunder whether or not previously required by the Agent.

SECTION 2.08. Interest Rate Determination. (a) Each Reference Bank agrees, if requested by the Agent, to furnish to the Agent timely information for the purpose of determining each Eurocurrency Rate. If any one or more of the Reference Banks shall not furnish such timely information to the Agent for the purpose of determining any such interest rate, the Agent shall determine such interest rate on the basis of timely information furnished by the remaining Reference Banks. The Agent shall give prompt notice to the Company and the Lenders of the applicable interest rate determined by the Agent for purposes of Section 2.07(a)(i) or (ii), and the rate, if any, furnished by each Reference Bank for the purpose of determining the interest rate under Section 2.07(a)(ii).

(b) If, with respect to any Eurocurrency Rate Advances, the Required Lenders notify the Agent that (i) they are unable to obtain matching deposits in the London inter-bank market at or about 11:00 A.M. (London time) on the second Business Day before the making of a Revolving Credit Borrowing in sufficient amounts to fund their respective Advances as a part of such Borrowing during its Interest Period or (ii) the Eurocurrency Rate for any Interest Period for such Advances will not adequately reflect the cost to such Required Lenders of making, funding or maintaining their respective Eurocurrency Rate Advances for such Interest Period, the Agent shall forthwith so notify the Company and the Lenders, whereupon (A) the Borrower of such Eurocurrency Advances will, on the last day of the then existing Interest Period therefor, (1) if such Eurocurrency Rate Advances are denominated in Dollars, either (x) prepay such Advances or (y) Convert such Advances into Base Rate Advances and (2) if such Eurocurrency Rate Advances are denominated in any Committed Currency, either (x) prepay such Advances or (y) Convert such Advances into Base Rate Advances in the Equivalent amount of Dollars and (B) the obligation of the Lenders to make, or to Convert Advances into, Eurocurrency Rate Advances shall be suspended until the Agent shall notify the Company and the Lenders that the circumstances causing such suspension no longer exist.

(c) If any Borrower shall fail to select the duration of any Interest Period for any Eurocurrency Rate Advances in accordance with the provisions contained in the definition of "Interest Period" in Section 1.01, the Agent will forthwith so notify such Borrower and the Lenders and such Advances will automatically, on the last day of the then existing Interest Period therefor, (i) if such Eurocurrency Rate Advances are denominated in Dollars, Convert into Base Rate Advances and (ii) if such Eurocurrency Rate Advances are denominated in a Committed Currency, Converted into Base Rate Advances in the Equivalent amount of Dollars.

(d) On the date on which the aggregate unpaid principal amount of Eurocurrency Rate Advances comprising any Revolving Credit Borrowing shall be reduced, by payment or prepayment or otherwise, to less than \$10,000,000 (or the Equivalent thereof in any Committed Currency), such Advances shall automatically (i) if such Eurocurrency Rate Advances are denominated in Dollars, Convert into Base Rate Advances and (ii) if such Eurocurrency Rate Advances are denominated in a Committed Currency, Convert into Base Rate Advances in the Equivalent amount of Dollars.

(e) Upon the occurrence and during the continuance of any Event of Default under Section 6.01(a), (i) each Eurocurrency Rate Advance will automatically, on the last day of the then existing Interest Period therefor, (A) if such Eurocurrency Rate Advance is denominated in Dollars, be Converted into a Base Rate Advance and (B) if such Eurocurrency Rate Advance is denominated in any Committed Currency, be Converted into a Base Rate Advance in the Equivalent amount of Dollars and (ii) the obligation of the Lenders to make, or to Convert Advances into, Eurocurrency Rate Advances shall be suspended.

(f) If Reuters LIBOR01 Page is unavailable and fewer than two Reference Banks furnish timely information to the Agent for determining the Eurocurrency Rate for any Eurocurrency Rate Advances after the Agent has requested such information,

(i) the Agent shall forthwith notify the Company and the Lenders that the interest rate cannot be determined for such Eurocurrency Rate Advances,

(ii) with respect to Eurocurrency Rate Advances, each such Advance will automatically, on the last day of the then existing Interest Period therefor, (A) if such Eurocurrency Rate Advance is denominated in Dollars, be prepaid by the applicable Borrower or be automatically Converted into a Base Rate Advance and (B) if such Eurocurrency Rate Advance is denominated in any Committed Currency, be prepaid by the applicable Borrower or be automatically Converted into a Base Rate Advance in the Equivalent amount of Dollars, and

(iii) the obligation of the Lenders to make Eurocurrency Rate Advances or to Convert Base Rate Advances into Eurocurrency Rate Advances shall be suspended until the Agent shall notify the Company and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.09. Optional Conversion of Revolving Credit Advances. The Borrower of any Revolving Credit Advance may on any Business Day, upon notice given to the Agent not later than 11:00 A.M. (New York City time) on the third Business Day prior to the date of the proposed Conversion and subject to the provisions of Sections 2.08 and 2.12, Convert all or any part of such Advances denominated in Dollars of one Type comprising the same Borrowing into Advances denominated in Dollars of the other Type; provided, however, that any Conversion of Eurocurrency Rate Advances into Base Rate Advances shall be made only on the last day of an Interest Period for such Eurocurrency Rate Advances, any Conversion of Base Rate Advances into Eurocurrency Rate Advances shall be in an amount not less than the minimum amount specified in Section 2.02(c) and no Conversion of any such Advances shall result in more separate Borrowings than permitted under Section 2.02(c). Each such notice of a Conversion shall, within the restrictions specified above, specify (i) the date of such Conversion, (ii) the Dollar denominated Revolving Credit Advances to be Converted, and (iii) if such Conversion is into Eurocurrency Rate Advances, the duration of the initial Interest Period for each such Advance. Each notice of Conversion shall be irrevocable and binding on the Borrower giving such notice.

SECTION 2.10. Prepayments of Advances. (a) Optional. Each Borrower may, upon notice at least two Business Days prior to the date of such prepayment, in the case of Eurocurrency Rate Advances, and not later than 11:00 A.M. (New York City time) on the date of such prepayment, in the case of Base Rate Advances, to the Agent stating the proposed date and aggregate principal amount of the prepayment, and if such notice is given such Borrower shall, prepay the outstanding principal amount of the Revolving Credit Advances comprising part of the same Revolving Credit Borrowing or Swing Line Advances comprising part of the same Swing Line Borrowing in whole or ratably in part, together with accrued interest to the date of such prepayment on the principal amount prepaid; provided, however, that (x) each partial prepayment shall be in an aggregate principal amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof in the case of Revolving Credit Advances denominated in Dollars (or in an aggregate principal amount of \$500,000 or an integral multiple of \$10,000 in excess thereof in the case of Swing Line Advances) and the Equivalent of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof in the case of Revolving Credit Advances denominated in any Committed Currencies (determined on the date notice of prepayment is given) and (y) in the event of any such prepayment of a Eurocurrency Rate Advance, such Borrower shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 9.04(c).

(b) Mandatory Prepayments. (i) If the Agent notifies the Company on the second Business Day prior to any interest payment date that the sum of (A) the aggregate principal amount of all Advances denominated in Dollars then outstanding plus (B) the Equivalent in Dollars (both (A) and (B) determined on the third Business Day prior to such interest payment date) of the aggregate principal amount of all Advances denominated in Committed Currencies and Committed L/C Currencies then outstanding exceeds 103% of the aggregate Revolving Credit Commitments of the Lenders on such date, the Borrowers shall, within two Business Days after receipt of such notice, prepay the outstanding principal amount of any Advances owing by the Borrowers in an aggregate amount sufficient to reduce such sum after such payment to an amount not to exceed 100% of the aggregate Revolving Credit Commitments of the Lenders. The Agent shall provide such notice to the Company at the request of any Lender.

(ii) Each prepayment made pursuant to this Section 2.10(b) shall be made together with any interest accrued to the date of such prepayment on the principal amounts prepaid and, in the case of any prepayment

of a Eurocurrency Rate Advance on a date other than the last day of an Interest Period or at its maturity, any additional amounts which the Borrowers shall be obligated to reimburse to the Lenders in respect thereof pursuant to Section 9.04(c). The Agent shall give prompt notice of any prepayment required under this Section 2.10(b) to the Company and the Lenders.

(c) Letters of Credit. (i) The Company shall, on the day that is 15 days prior to the Termination Date, pay to the Agent for deposit in the regular sub-account of the L/C Cash Deposit Account an amount sufficient to cause the aggregate amount on deposit in the regular sub-account of the L/C Cash Deposit Account to equal the sum of (a) 103% of the Dollar Equivalent of the aggregate Available Amount of all Letters of Credit, other than Special Letters of Credit, then outstanding denominated in any Committed L/C Currency other than Dollars and (b) 100% of the aggregate Available Amount of all Letters of Credit, other than Special Letters of Credit, then outstanding denominated in Dollars. Upon the drawing of any such Letter of Credit, to the extent funds are on deposit in the regular sub-account of the L/C Cash Deposit Account, such funds shall be applied to reimburse the applicable Issuing Banks to the extent permitted by applicable law, and if so applied, then such reimbursement shall be deemed a repayment of the corresponding Advance in respect of such Letter of Credit. After all such Letters of Credit shall have expired or been fully drawn upon and all other obligations of the Borrowers thereunder shall have been paid in full, the balance, if any, in such regular sub-account of the L/C Cash Deposit Account in respect of such Letters of Credit shall be promptly returned to the Company.

(ii) The Company shall, on the day that is 105 days prior to the Termination Date, pay to the Agent for deposit in the special sub-account of the L/C Cash Deposit Account established for each Issuing Bank that has issued an outstanding Special Letter of Credit (against which such Issuing Bank and its Affiliates shall have rights of setoff with respect to any obligations, whether matured or contingent, in respect of Special Letters of Credit issued by such Issuing Bank) an amount sufficient to cause the aggregate amount, denominated in the same currency or currencies in which the respective Special Letters of Credit then outstanding are denominated, on deposit in such special sub-account of the L/C Cash Deposit Account to equal 100% of the aggregate Available Amount of all Special Letters of Credit issued by such Issuing Bank then outstanding. Upon the drawing of any Special Letter of Credit, to the extent funds are on deposit in the applicable special sub-account of the L/C Cash Deposit Account in respect of such Special Letter of Credit, such funds shall be applied (prior to the application of any other funds) to reimburse the Issuing Bank of such Letter of Credit to the extent permitted by applicable law, and if so applied, then such reimbursement shall be deemed a repayment of the corresponding Advance in respect of such Letter of Credit. After all Special Letters of Credit shall have expired or been fully drawn upon and all other obligations of the Borrowers thereunder shall have been paid in full, the balance, if any, in such special sub-account of the L/C Cash Deposit Account in respect of Special Letters of Credit shall be promptly returned to the Company.

SECTION 2.11. Increased Costs. (a) If, due to either (i) the introduction of or any change in or in the interpretation of any law or regulation after the date hereof or (ii) the compliance with any guideline or request issued after the date hereof by any central bank or other governmental authority including, without limitation, any agency of the European Union or similar monetary or multinational authority (whether or not having the force of law), there shall be any increase in the cost to any Lender of agreeing to make or making, funding or maintaining Eurocurrency Rate Advances or agreeing to issue or of issuing or maintaining or participating in Letters of Credit (excluding for purposes of this Section 2.11 any such increased costs resulting from (i) Taxes or Other Taxes (as to which Section 2.14 shall govern) and (ii) changes in the basis of taxation of overall net income or overall gross income by the United States or by the foreign jurisdiction or state under the laws of which such Lender is organized or has its Applicable Lending Office or any political subdivision thereof), then the Company shall from time to time, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender additional amounts sufficient to compensate such Lender for such increased cost. A certificate as to the amount of such increased cost, submitted to the Company and the Agent by such Lender, shall constitute prima facie evidence of such amounts.

(b) If any Lender determines that due to the introduction of or any change in or in the interpretation of any law or regulation or any guideline or request from any central bank or other governmental authority (whether or not having the force of law) after the date hereof, taking into consideration the policies of such Lender and any corporation controlling such Lender with respect to capital adequacy, increases or would increase the amount of capital required or expected to be maintained by such Lender or any corporation controlling such

Lender and that the amount of such increase is based upon the existence of such Lender's commitment to lend or to issue or participate in Letters of Credit hereunder and other commitments of this type and the effect of such increase is to reduce the rate of return on such Lender's capital or on the capital of the corporation controlling such Lender, then, upon demand by such Lender (with a copy of such demand to the Agent), the Company shall pay to the Agent for the account of such Lender, from time to time as specified by such Lender, additional amounts sufficient to compensate such Lender or such corporation in the light of such circumstances, to the extent that such Lender reasonably determines such increase in capital to be allocable to the existence of such Lender's commitment to lend or to issue or participate in Letters of Credit hereunder. A certificate as to such amounts submitted to the Company and the Agent by such Lender shall constitute prima facie evidence of such amounts.

(c) If any governmental authority of the jurisdiction of any Committed Currency or Committed L/C Currency (or any other jurisdiction in which the funding operations of any Lender shall be conducted with respect to such Committed Currency or Committed L/C Currency) shall introduce or increase any reserve, liquid asset or similar requirement after the date hereof with respect to any category of deposits or liabilities customarily used to fund loans in such Committed Currency or Committed L/C Currency, or by reference to which interest rates applicable to loans in such Committed Currency or Committed L/C Currency are determined, and the result of such requirement shall be to increase the cost to such Lender of making or maintaining any Advance denominated in a Committed Currency, and such Lender shall deliver to the relevant Borrowers a notice requesting compensation under this paragraph, then the relevant Borrowers will pay to such Lender on each date on which interest is paid pursuant to Section 2.07 with respect to each affected Advance denominated in a Committed Currency, an amount that will compensate such Lender for such additional cost. A certificate in reasonable detail as to the amount of such increased cost, submitted to the Company and the Agent by such Lender shall constitute prima facie evidence of such amounts.

SECTION 2.12. Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall notify the Agent that the introduction of or any change in or in the interpretation of any law or regulation after the date hereof makes it unlawful, or any central bank or other governmental authority asserts after the date hereof that it is unlawful, for such Lender or its Eurocurrency Lending Office to perform its obligations hereunder to make Eurocurrency Rate Advances in Dollars or any Committed Currency or to fund or maintain Eurocurrency Rate Advances in Dollars or any Committed Currency hereunder, (a) each Eurocurrency Rate Advance funded by such Lender will automatically, upon such demand, (i) if such Eurocurrency Rate Advance is denominated in Dollars, be Converted into a Base Rate Advance and (ii) if such Eurocurrency Rate Advance is denominated in any Committed Currency, be Converted into a Base Rate Advance in the Equivalent amount of Dollars and (b) the obligation of such Lender to make Eurocurrency Rate Advances or to Convert Advances into Eurocurrency Rate Advances shall be suspended until the Agent shall notify the Company and the Lenders that the circumstances causing such suspension no longer exist.

SECTION 2.13. Payments and Computations. (a) Each Borrower shall make each payment hereunder, except with respect to principal of, interest on, and other amounts relating to, Advances denominated in a Committed Currency or Committed L/C Currency, not later than 12:00 noon (New York City time) on the day when due in Dollars to the Agent at the applicable Agent's Account in same day funds and without deduction, set off or counterclaim. Each Borrower shall make each payment hereunder with respect to principal of, interest on, and other amounts relating to, Advances denominated in a Committed Currency, not later than 11:00 A.M. (at the Payment Office for such Committed Currency) on the day when due in such Committed Currency to the Agent, by deposit of such funds to the applicable Agent's Account in same day funds. The Agent will promptly thereafter cause to be distributed like funds relating to the payment of principal or interest, fees or commissions ratably (other than amounts payable pursuant to Section 2.04(b)(ii), 2.11, 2.14 or 9.04(c)) to the Lenders for the account of their respective Applicable Lending Offices, and like funds relating to the payment of any other amount payable to any Lender to such Lender for the account of its Applicable Lending Office, in each case to be applied in accordance with the terms of this Agreement. Upon any Assuming Lender becoming a Lender hereunder as a result of a Commitment Increase pursuant to Section 2.18 and upon the Agent's receipt of such Lender's Assumption Agreement and recording of the information contained therein in the Register, from and after the applicable Increase Date, the Agent shall make all payments hereunder and under any Notes issued in connection therewith in respect of the interest assumed thereby to the Assuming Lender. Upon its acceptance of an Assignment and Acceptance and recording of the information contained therein in the Register pursuant to Section 9.07(c), from and after the

effective date specified in such Assignment and Acceptance, the Agent shall make all payments hereunder and under any Notes in respect of the interest assigned thereby to the Lender assignee thereunder, and the parties to such Assignment and Acceptance shall make all appropriate adjustments in such payments for periods prior to such effective date directly between themselves.

(b) All computations of interest based on the Base Rate shall be made by the Agent on the basis of a year of 365 or 366 days, as the case may be, all computations of interest based on the Eurocurrency Rate or the Federal Funds Rate and of fees and Letter of Credit commissions shall be made by the Agent on the basis of a year of 360 days with twelve 30-day months (or, in each case of Advances denominated in Committed Currencies where market practice differs, in accordance with market practice), in each case for the actual number of days (including the first day but excluding the last day) occurring in the period for which such interest, fees or commissions are payable. Each determination by the Agent of an interest rate hereunder shall be conclusive and binding for all purposes, absent manifest error.

(c) Whenever any payment hereunder or under any Notes shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of payment of interest, fee or commission, as the case may be; provided, however, that, if such extension would cause payment of interest on or principal of Eurocurrency Rate Advances to be made in the next following calendar month, such payment shall be made on the next preceding Business Day.

(d) Unless the Agent shall have received notice from any Borrower prior to the date on which any payment is due to the Lenders hereunder that such Borrower will not make such payment in full, the Agent may assume that such Borrower has made such payment in full to the Agent on such date and the Agent may, in reliance upon such assumption, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent such Borrower shall not have so made such payment in full to the Agent, each Lender shall repay to the Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Agent, at (i) the Federal Funds Rate in the case of Advances denominated in Dollars or (ii) the cost of funds incurred by the Agent in respect of such amount in the case of Advances denominated in Committed Currencies.

(e) To the extent that the Agent receives funds for application to the amounts owing by any Borrower under or in respect of this Agreement or any Note in currencies other than the currency or currencies required to enable the Agent to distribute funds to the Lenders in accordance with the terms of this Section 2.13, the Agent shall be entitled to convert or exchange such funds into Dollars or into a Committed Currency or from Dollars to a Committed Currency or from a Committed Currency to Dollars, as the case may be, to the extent necessary to enable the Agent to distribute such funds in accordance with the terms of this Section 2.13; provided that each Borrower and each of the Lenders hereby agree that the Agent shall not be liable or responsible for any loss, cost or expense suffered by such Borrower or such Lender as a result of any conversion or exchange of currencies effected pursuant to this Section 2.13(e) or as a result of the failure of the Agent to effect any such conversion or exchange provided such failure was not a result of gross negligence or willful misconduct on the part of the Agent; and provided further that the applicable Borrower agrees to indemnify the Agent and each Lender, and hold the Agent and each Lender harmless, but without duplication, for any and all losses, costs and expenses incurred by the Agent or any Lender for any conversion or exchange of currencies (or the failure to convert or exchange any currencies) in accordance with this Section 2.13(e), provided such losses, costs and expenses were not the result of gross negligence or willful misconduct on the part of the Agent.

SECTION 2.14. Taxes. (a) Any and all payments by each Borrower hereunder or under any Notes shall be made, in accordance with Section 2.13, free and clear of and without deduction for any and all present or future taxes, levies, imposts, deductions, charges or withholdings, and all liabilities with respect thereto, excluding, (i) in the case of each Lender and the Agent, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction under the laws of which such Lender or the Agent (as the case may be) is organized or any political subdivision thereof, (ii) in the case of each Lender, taxes imposed on its overall net income, and franchise taxes imposed on it in lieu of net income taxes, by the jurisdiction of such

Lender's Applicable Lending Office or any political subdivision thereof, (iii) any United States federal backup withholding tax, and (iv) any tax, assessment or other governmental charge that would not have been imposed but for a failure by each Lender or the Agent, or any other legal or beneficial holder or any foreign financial institution through which payments on the Borrowings under this Agreement are made to comply with any applicable certification, documentation, information or other reporting requirement concerning the nationality, residence, identity, direct or indirect ownership of or investment in, or connection with the United States of America of the applicable Lender, the Agent, or any other legal or beneficial holder or any foreign financial institution through which payments on the Borrowings under this Agreement are made if such compliance is required by statute or regulation of the United States as a precondition to relief or exemption from such tax, assessment or other governmental charge (all such non-excluded taxes, levies, imposts, deductions, charges, withholdings and liabilities in respect of payments hereunder or under any Notes being hereinafter referred to as "Taxes"). If any Borrower shall be required by law to deduct any Taxes from or in respect of any sum payable hereunder or under any Note to any Lender or the Agent, (i) the sum payable shall be increased as may be necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.14) such Lender or the Agent (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Borrower shall make such deductions and (iii) such Borrower shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable law.

(b) In addition, the Company shall pay any present or future stamp or documentary taxes or any other excise or property taxes, charges or similar levies that arise from any payment made hereunder or under any Notes or from the execution, delivery or registration of, performing under, or otherwise with respect to, this Agreement or any Notes (hereinafter referred to as "Other Taxes").

(c) Each Borrower shall indemnify each Lender and the Agent for and hold it harmless against the full amount of Taxes or Other Taxes imposed on or paid by such Lender or the Agent (as the case may be) that the Borrower is required to pay pursuant to this Section 2.14 and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto. This indemnification shall be made within 30 days from the date such Lender or the Agent (as the case may be) makes written demand therefor.

(d) Within 30 days after the date of any payment of Taxes, each Borrower shall furnish to the Agent, at its address referred to in Section 9.02, the original or a certified copy of a receipt evidencing such payment to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to the Agent. In the case of any payment hereunder or under any Notes by or on behalf of such Borrower through an account or branch outside the United States or by or on behalf of such Borrower by a payor that is not a United States person, if such Borrower determines that no Taxes are payable in respect thereof, such Borrower shall furnish, or shall cause such payor to furnish, to the Agent, at such address, an opinion of counsel acceptable to the Agent stating that such payment is exempt from Taxes. For purposes of this subsection (d) and subsection (e), the terms "United States" and "United States person" shall have the meanings specified in Section 7701 of the Internal Revenue Code.

(e) Each Lender organized under the laws of a jurisdiction outside the United States, on or prior to the date of its execution and delivery of this Agreement in the case of each Initial Lender and on the date of the Assumption Agreement or the Assignment and Acceptance pursuant to which it becomes a Lender in the case of each other Lender, and from time to time thereafter as requested in writing by the Company (but only so long as such Lender remains lawfully able to do so), shall provide each of the Agent and the Company with two original Internal Revenue Service forms W-8BEN or W-8ECI, as appropriate, or any successor or other form prescribed by the Internal Revenue Service, certifying that such Lender is exempt from or entitled to a reduced rate of United States withholding tax on payments pursuant to this Agreement or any Notes. If the form provided by a Lender at the time such Lender first becomes a party to this Agreement indicates a United States interest withholding tax rate in excess of zero, withholding tax at such rate shall be considered excluded from Taxes unless and until such Lender provides the appropriate forms certifying that a lesser rate applies, whereupon withholding tax at such lesser rate only shall be considered excluded from Taxes for periods governed by such form; provided, however, that, if at the date of the Assignment and Acceptance pursuant to which a Lender assignee becomes a party to this Agreement, the Lender assignor was entitled to payments under subsection (a) in respect of United States withholding tax with respect to interest paid at such date, then, to such extent, the term Taxes shall include (in addition to withholding

taxes that may be imposed in the future or other amounts otherwise includable in Taxes) United States withholding tax, if any, applicable with respect to the Lender assignee on such date. If any form or document referred to in this subsection (e) requires the disclosure of information, other than information necessary to compute the tax payable and information required on the date hereof by Internal Revenue Service form W-8BEN or W-8ECI, that the Lender reasonably considers to be confidential, the Lender shall give notice thereof to the Borrowers and shall not be obligated to include in such form or document such confidential information.

(f) For any period with respect to which a Lender has failed to provide the Company with the appropriate form, certificate or other document described in Section 2.14(e) (other than if such failure is due to a change in law, or in the interpretation or application thereof, occurring subsequent to the date on which a form, certificate or other document originally was required to be provided, or if such form, certificate or other document otherwise is not required under subsection (e) above), such Lender shall not be entitled to indemnification under Section 2.14(a) or (c) with respect to Taxes imposed by the United States by reason of such failure; provided, however, that should a Lender become subject to Taxes because of its failure to deliver a form, certificate or other document required hereunder, the Company shall take such steps at such Lender's expense as the Lender shall reasonably request to assist the Lender to recover such Taxes.

(g) Any Lender claiming any additional amounts payable pursuant to this Section 2.14 agrees to use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to change the jurisdiction of its Eurocurrency Lending Office if the making of such a change would avoid the need for, or reduce the amount of, any such additional amounts that may thereafter accrue and would not, in the reasonable judgment of such Lender, be otherwise disadvantageous to such Lender.

SECTION 2.15. Sharing of Payments, Etc. If any Lender shall obtain any payment (whether voluntary, involuntary, through the exercise of any right of set-off, or otherwise) on account of the Revolving Credit Advances or Swing Line Advances owing to it (other than (x) as payment of an Advance made by an Issuing Bank pursuant to the first sentence of Section 2.03(c), (y) as a payment of a Swing Line Advance made by a Swing Line Bank that has not been participated to the other Lenders pursuant to Section 2.02(b) or (z) pursuant to Section 2.11, 2.14 or 9.04(c)) in excess of its Ratable Share of payments on account of the Revolving Credit Advances or Swing Line Advances obtained by all the Lenders, such Lender shall forthwith purchase from the other Lenders such participations in the Revolving Credit Advances or Swing Line Advances owing to them as shall be necessary to cause such purchasing Lender to share the excess payment ratably with each of them; provided, however, that if all or any portion of such excess payment is thereafter recovered from such purchasing Lender, such purchase from each Lender shall be rescinded and such Lender shall repay to the purchasing Lender the purchase price to the extent of such recovery together with an amount equal to such Lender's ratable share (according to the proportion of (i) the amount of such Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered. Each Borrower agrees that any Lender so purchasing a participation from another Lender pursuant to this Section 2.15 may, to the fullest extent permitted by law, exercise all its rights of payment (including the right of set-off) with respect to such participation as fully as if such Lender were the direct creditor of such Borrower in the amount of such participation.

SECTION 2.16. Evidence of Debt. (a) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower to such Lender resulting from each Advance owing to such Lender from time to time, including the amounts of principal and interest payable and paid to such Lender from time to time hereunder in respect of Advances. Each Borrower agrees that upon notice by any Lender to such Borrower (with a copy of such notice to the Agent) to the effect that a Note is required or appropriate in order for such Lender to evidence (whether for purposes of pledge, enforcement or otherwise) the Advances owing to, or to be made by, such Lender, such Borrower shall promptly execute and deliver to such Lender a Note payable to the order of such Lender in a principal amount up to the Revolving Credit Commitment of such Lender.

(b) The Register maintained by the Agent pursuant to Section 9.07(d) shall include a control account, and a subsidiary account for each Lender, in which accounts (taken together) shall be recorded (i) the date and amount of each Borrowing made hereunder, the Type of Advances comprising such Borrowing and, if appropriate, the Interest Period applicable thereto, (ii) the terms of each Assumption Agreement and each

Assignment and Acceptance delivered to and accepted by it, (iii) the amount of any principal or interest due and payable or to become due and payable from each Borrower to each Lender hereunder and (iv) the amount of any sum received by the Agent from such Borrower hereunder and each Lender's share thereof.

(c) Entries made in good faith by the Agent in the Register pursuant to subsection (b) above, and by each Lender in its account or accounts pursuant to subsection (a) above, shall be prima facie evidence of the amount of principal and interest due and payable or to become due and payable from each Borrower to, in the case of the Register, each Lender and, in the case of such account or accounts, such Lender, under this Agreement, absent manifest error; provided, however, that the failure of the Agent or such Lender to make an entry, or any finding that an entry is incorrect, in the Register or such account or accounts shall not limit or otherwise affect the obligations of any Borrower under this Agreement.

SECTION 2.17. Use of Proceeds. The proceeds of the Advances shall be available (and each Borrower agrees that it shall use such proceeds) solely for general corporate purposes of the Company and its Consolidated Subsidiaries, including commercial paper backstop and acquisition financing.

SECTION 2.18. Increase in the Aggregate Revolving Credit Commitments. (a) The Company may, at any time but in any event not more than once in any calendar year prior to the Termination Date, by notice to the Agent, request that the aggregate amount of the Revolving Credit Commitments be increased by an amount of \$25,000,000 or an integral multiple thereof (each a "Commitment Increase") to be effective as of a date that is at least 90 days prior to the scheduled Termination Date then in effect (the "Increase Date") as specified in the related notice to the Agent; provided, however that (i) in no event shall the aggregate amount of the Revolving Credit Commitments at any time be increased by more than \$150,000,000 above the aggregate amount of the Revolving Credit Commitments as of the Restatement Date and (ii) on the date of any request by the Company for a Commitment Increase and on the related Increase Date the applicable conditions set forth in Article III shall be satisfied.

(b) The Agent shall promptly notify the Non-Defaulting Lenders and such other Persons that satisfy the definition of Eligible Assignee as the Company may identify of a request by the Company for a Commitment Increase, which notice shall include (i) the proposed amount of such requested Commitment Increase, (ii) the proposed Increase Date and (iii) the date by which Non-Defaulting Lenders and such other Persons wishing to participate in the Commitment Increase must commit to an increase in the amount of their respective Revolving Credit Commitments (with respect to any proposed Commitment Increase, the "Commitment Date"). Each Non-Defaulting Lender that is willing to participate in such requested Commitment Increase (each an "Increasing Lender") and each such other Person that is willing to participate in such requested Commitment Increase (an "Assuming Lender") shall, in its sole discretion, give written notice to the Agent on or prior to the Commitment Date of the amount by which it is willing to participate in such Commitment Increase; provided, however, that the Revolving Credit Commitment of each such Assuming Lender shall be in an amount of \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof. Promptly following each Commitment Date, the Agent shall notify the Company as to the amount, if any, by which the Increasing Lenders and Assuming Lenders are willing to participate in the requested Commitment Increase. If the Increasing Lenders and Assuming Lenders notify the Agent that they are willing to increase the amount of their respective Revolving Credit Commitments by an aggregate amount that exceeds the amount of the requested Commitment Increase, the requested Commitment Increase shall be allocated among the Increasing Lenders and Assuming Lenders willing to participate therein in such amounts as are agreed between the Company and the Agent; provided that the Company may in its discretion determine that such allocation shall be made pro rata among the Increasing Lenders and the Assuming Lenders, based on the ratio of each such Person's proposed participation in the Commitment Increase to the aggregate amount of all such proposed participations. The Agent shall promptly notify the Increasing Lenders and each Assuming Lender of the results of any such allocation of the Commitment Increase.

(c) On each Increase Date, each Assuming Lender shall become a Lender party to this Agreement as of such Increase Date and the Revolving Credit Commitment of each Increasing Lender for such requested Commitment Increase shall be so increased by such amount (or by the amount allocated to such Lender pursuant to the last sentence of Section 2.18(b)) as of such Increase Date; provided, however, that the Agent shall have received on or before such Increase Date the following, each dated such date:

(i) (A) certified copies of resolutions of the Board of Directors of the Company or the Executive Committee of such Board approving the Commitment Increase and the corresponding modifications to this Agreement and (B) an opinion of counsel for the Company (which may be in-house counsel), in substantially the form of Exhibit D-2 hereto;

(ii) an assumption agreement from each Assuming Lender, if any, in substantially the form of Exhibit F hereto (each an “Assumption Agreement”), duly executed by such Assuming Lender, the Agent and the Company; and

(iii) confirmation from each Increasing Lender of the increase in the amount of its Revolving Credit Commitment in a writing satisfactory to the Company and the Agent.

On each Increase Date, upon fulfillment of the conditions set forth in the immediately preceding sentence of this Section 2.18(c), the Agent shall notify the Lenders (including, without limitation, each Assuming Lender) and the Company, on or before 1:00 P.M. (New York City time), by facsimile, of the occurrence of the Commitment Increase to be effected on such Increase Date and shall record in the Register the relevant information with respect to each Increasing Lender and each Assuming Lender on such date. Each Increasing Lender and each Assuming Lender shall, as of the Increase Date, fund their respective Ratable Shares of each Revolving Credit Borrowing then outstanding, which funds the Agent shall distribute to the other Lenders to effect a funding of each such Borrowing by each of the Lenders (including the Increasing Lenders and the Assuming Lenders) ratably in accordance with their Ratable Shares after giving effect to the applicable Commitment Increase and, if the applicable Increase Date is not the last day of an Interest Period, the Company shall be obligated to reimburse the Lenders in respect thereof pursuant to Section 9.04(c).

SECTION 2.19. Defaulting Lenders.

(a) If any Letters of Credit or Swing Line Advances are outstanding at the time a Lender becomes a Defaulting Lender, and the Commitments have not been terminated in accordance with Section 6.01, then:

(i) so long as no Event of Default has occurred and is continuing, all or any part of the Available Amount of outstanding Letters of Credit and outstanding Swing Line Advances (except in the case where the applicable Issuing Bank or Swing Line Bank, as the case may be, is the Defaulting Lender) shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Ratable Shares (excluding from the determination thereof any Defaulting Lender’s Revolving Credit Commitment) but only to the extent that the sum of (A) the aggregate principal amount of all Advances made by such Non-Defaulting Lenders (in their capacity as Lenders) and outstanding at such time, plus (B) such Non-Defaulting Lenders’ Ratable Shares (before giving effect to the reallocation contemplated herein) of the Available Amount of all outstanding Letters of Credit and Swing Line Advances, plus (C) the aggregate principal amount of all Advances made by each Issuing Bank pursuant to Section 2.03(c) and the Swing Line Advances made by the Swing Line Bank that have not been ratably funded by such Non-Defaulting Lenders and outstanding at such time, plus (D) such Defaulting Lender’s Ratable Share of the Available Amount of such Letters of Credit, does not exceed the total of all Non-Defaulting Lenders’ Revolving Credit Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrowers and each Issuing Bank that is a Non-Defaulting Lender shall enter into such arrangements as are reasonably satisfactory to the Borrowers and such Issuing Bank in order (after giving effect to any partial reallocation pursuant to clause (i) above) reasonably to mitigate the remaining risk with respect to such Defaulting Lender to the applicable Issuing Bank for so long as such Letters of Credit are outstanding;

(iii) if the Ratable Shares of Letters of Credit of the Non-Defaulting Lenders are reallocated pursuant to this Section 2.19(a), then the fees payable to the Lenders pursuant to Section 2.04(b)(i) shall be adjusted in accordance with such Non-Defaulting Lenders’ Ratable Shares of Letters of Credit and, to the extent not so reallocated, shall be allocated to the Issuing Bank or retained by the Borrowers as agreed pursuant to clause (ii) above.

(b) So long as any Lender is a Defaulting Lender, no Issuing Bank shall be required to issue or increase any Letter of Credit, and the Swing Line Bank shall not be required to make any Swing Line Advance, unless it is reasonably satisfied that the related exposure will be 100% covered by the Revolving Credit Commitments of the Non-Defaulting Lenders or (i) in the case of any Issuing Bank, the provisions of Section 2.19(a)(ii) have been complied with and (ii) in the case of the Swing Line Bank, it is otherwise satisfied that the related exposure is mitigated to its reasonable satisfaction, and participating interests in any such newly issued or increased Letter of Credit and Swing Line Advances shall be allocated among Non-Defaulting Lenders in a manner consistent with Section 2.19(a)(i) (and Defaulting Lenders shall not participate therein).

(c) No Commitment of any Lender shall be increased or otherwise affected, and, except as otherwise expressly provided in this Section 2.19, performance by the Borrowers of their obligations hereunder shall not be excused or otherwise modified as a result of the operation of this Section 2.19. The rights and remedies against a Defaulting Lender under this Section 2.19 are in addition to any other rights and remedies which the Borrowers, the Agent, any Issuing Bank, the Swing Line Bank or any Lender may have against such Defaulting Lender.

ARTICLE III

CONDITIONS TO EFFECTIVENESS AND LENDING

SECTION 3.01. Conditions Precedent to Effectiveness of the Amendment and Restatement. This amendment and restatement of the Existing Credit Agreement (this "Amendment and Restatement") shall become effective on the first date (the "Restatement Date") on which the following conditions have been satisfied:

Pay and discharge, and cause each of its Consolidated Subsidiaries to pay and discharge, before the same shall become delinquent, (i) all material taxes, assessments and governmental charges or levies imposed upon it or upon its property and (ii) all lawful claims that, if unpaid, might solely by operation of law become a Lien upon its property; provided, however, that neither the Company nor any of its Consolidated Subsidiaries shall be required to pay or discharge any such tax, assessment, levy, charge or claim that is being contested in good faith and by proper proceedings and as to which appropriate reserves in accordance with generally accepted accounting principles are being maintained, unless and until any Lien resulting therefrom attaches to its property and becomes enforceable against its other creditors.

At any reasonable time and from time to time, permit the Agent or any of the Lenders or any agents or representatives thereof at their own expense, to examine and make copies of and abstracts from the records and books of account of, and visit the properties of, the Company and any of its Consolidated Subsidiaries, and to discuss the affairs, finances and accounts of the Company and any of its Consolidated Subsidiaries with any of their officers and with their independent certified public accountants, all as often as may reasonably be necessary to ensure compliance by the Company with its obligations hereunder.

Maintain and preserve, and cause each of its Consolidated Subsidiaries to maintain and preserve, all of its properties that are used and useful in the conduct of its business in good working order and condition, ordinary wear and tear excepted, except where the failure to do so would not have a Material Adverse Effect.

If any Event of Default shall have occurred and be continuing, the Agent may with the consent, or shall at the request, of the Required Lenders, irrespective of whether it is taking any of the actions described in Section 6.01 or otherwise, make demand upon the Company to, and forthwith upon such demand the Company will, (a) pay to the Agent on behalf of the Lenders in same day funds at the Agent's office designated in such demand, for deposit in the applicable sub-account of the L/C Cash Deposit Account, an amount equal to the aggregate Available Amount of all Letters of Credit then outstanding or (b) make such other reasonable arrangements in respect of the outstanding Letters of Credit as shall be acceptable to the Required Lenders; provided, however, that in the event of an actual or deemed entry of an order for relief with respect to any Borrower under the Federal Bankruptcy Code, an amount equal to the aggregate Available Amount of all outstanding Letters of Credit shall be immediately due and payable to the Agent for the account of the Lenders without notice to or demand upon the Borrowers, which are expressly waived by each Borrower, to be held in the L/C Cash Deposit Account. If at any time the Agent reasonably determines that any funds held in the L/C Cash Deposit Account are subject to any right or interest of any Person other than the Agent and the Lenders or that the total amount of such funds is less than the aggregate Available Amount of all Letters of Credit, the Borrowers will, forthwith upon demand by the Agent, pay to the Agent, as additional funds to be deposited and held in the L/C Cash Deposit Account, an amount equal to the excess of (x) such aggregate Available Amount over (y) the total amount of funds, if any, then held in the L/C Cash Deposit Account that are free and clear of any such right and interest. Upon the drawing of any Letter of Credit when this Section 6.02 is applicable (and

without prejudice to Section 2.10(c) to the extent funds are on deposit in the L/C Cash Deposit Account, such funds shall be applied to reimburse the Issuing Banks to the extent permitted by applicable law, and if so applied, then such reimbursement shall be deemed a repayment of the corresponding Advance or reimbursement obligation in respect of such Letter of Credit. To the extent that any such Letter of Credit expires or otherwise terminates, and to the extent the applicable Issuing Bank's liability has ceased to exist under such Letter of Credit, and funds are on deposit in the L/C Cash Deposit Account in respect of such Letter of Credit, an amount equal to the undrawn amounts under such Letter of Credit shall be promptly returned from such L/C Cash Deposit Account to the Company. If any Event of Default has been waived or otherwise cured and no other Event of Default has occurred and is continuing, the balance, if any, in the L/C Cash Deposit Account shall be promptly returned to the Company. If, in accordance with this Section 6.02, the balance in the L/C Cash Deposit Account has not been otherwise returned, then after all such Letters of Credit shall have expired or been fully drawn upon and all other obligations of the Borrowers hereunder and under the Notes shall have been paid in full, the balance, if any, in such L/C Cash Deposit Account shall be promptly returned to the Company.

ARTICLE VII

GUARANTY

SECTION 7.01. Guaranty. The Company hereby absolutely, unconditionally and irrevocably guarantees, as a guarantee of payment and not of collection, the punctual payment when due, whether at scheduled maturity or on any date of a required prepayment or by acceleration, demand or otherwise, of all obligations of each other Borrower now or hereafter existing under or in respect of this Agreement and any Notes (including, without limitation, any extensions, modifications, substitutions, amendments or renewals of any or all of the foregoing obligations), whether direct or indirect, absolute or contingent, and whether for principal, interest, premiums, fees, indemnities, contract causes of action, costs, expenses or otherwise (such obligations being the "Guaranteed Obligations"), and agrees to pay any and all expenses (including, without limitation, fees and expenses of counsel) incurred by the Agent or any other Lender in enforcing any rights under this Article VII. Without limiting the generality of the foregoing, the Company's liability shall extend to all amounts that constitute part of the Guaranteed Obligations and would be owed by any such Borrower to the Agent or any Lender under or in respect of this Agreement or any Notes but for the fact that they are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving such Borrower.

SECTION 7.02. Guaranty Absolute. The Company guarantees that the Guaranteed Obligations will be paid strictly in accordance with the terms of this Agreement and the Notes, if any, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of any Lender with respect thereto. The obligations of the Company under or in respect of this Article VII are independent of the Guaranteed Obligations or any other obligations of any other Borrower under or in respect of this Agreement and any Notes, and a separate action or actions may be brought and prosecuted against the Company to enforce this Article VII, irrespective of whether any action is brought against any Borrower or whether any Borrower is joined in any such action or actions. The liability of the Company under this Article VII shall be irrevocable, absolute and unconditional irrespective of, and the Company hereby irrevocably waives any defenses it may now have or hereafter acquire in any way relating to, any or all of the following:

(a) any lack of validity or enforceability of this Agreement (other than this Article VII), the Notes, if any, or any agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Guaranteed Obligations or any other obligations of any Borrower under or in respect of this Agreement or the Notes, if any, or any other amendment or waiver of or any consent to departure from this Agreement or the Notes, if any, including, without limitation, any increase in the Guaranteed Obligations resulting from the extension of additional credit to any Borrower or any of its Subsidiaries or otherwise;

(c) any taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of, or consent to departure from, any other guaranty, for all or any of the Guaranteed Obligations;

(d) any manner of application of collateral, or proceeds thereof, to all or any of the Guaranteed Obligations, or any manner of sale or other disposition of any collateral for all or any of the Guaranteed Obligations or any other obligations of any Borrower under this Agreement or the Notes, if any, or any other assets of any Borrower or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of any Borrower or any of its Subsidiaries;

(f) any failure of any Lender or the Agent to disclose to the Company any information relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any Borrower now or hereafter known to such Lender or the Agent (the Company waiving any duty on the part of the Lenders and the Agent to disclose such information); or

(g) any other circumstance (including, without limitation, any statute of limitations) or any existence of or reliance on any representation by any Lender or the Agent that might otherwise constitute a defense available to, or a discharge of, any Borrower or any other guarantor or surety.

This Article VII shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Guaranteed Obligations is rescinded or must otherwise be returned by any Lender or the Agent or any other Person upon the insolvency, bankruptcy or reorganization of any Borrower or otherwise, all as though such payment had not been made.

SECTION 7.03. Waivers and Acknowledgments. (a) The Company hereby unconditionally and irrevocably waives promptness, diligence, notice of acceptance, presentment, demand for performance, notice of nonperformance, default, acceleration, protest or dishonor and any other notice with respect to any of the Guaranteed Obligations and this Article VII and any requirement that any Lender or the Agent protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right or take any action against any Borrower or any other Person or any collateral.

(b) The Company hereby unconditionally and irrevocably waives any right to revoke this Article VII and acknowledges that the guaranty under this Article VII is continuing in nature and applies to all Guaranteed Obligations, whether existing now or in the future.

(c) The Company hereby unconditionally and irrevocably waives (i) any defense arising by reason of any claim or defense based upon an election of remedies by any Lender or the Agent that in any manner impairs, reduces, releases or otherwise adversely affects the subrogation, reimbursement, exoneration, contribution or indemnification rights of the Company or other rights of the Company to proceed against any Borrower, any other guarantor or any other Person or any collateral and (ii) any defense based on any right of set-off or counterclaim against or in respect of the obligations of the Company hereunder.

(d) The Company hereby unconditionally and irrevocably waives any duty on the part of any Lender or the Agent to disclose to the Company any matter, fact or thing relating to the business, condition (financial or otherwise), operations, performance, properties or prospects of any Borrower or any of its Subsidiaries now or hereafter known by such Lender or the Agent.

(e) The Company acknowledges that it will receive substantial direct and indirect benefits from the financing arrangements contemplated by this Agreement and any Notes and that the waivers set forth in Section 7.02 and this Section 7.03 are knowingly made in contemplation of such benefits.

SECTION 7.04. Subrogation. The Company hereby unconditionally and irrevocably agrees not to exercise any rights that it may now have or hereafter acquire against any Borrower or any other insider guarantor that arise from the existence, payment, performance or enforcement of the Company's obligations under or in respect of this Article VII, including, without limitation, any right of subrogation, reimbursement, exoneration, contribution or indemnification and any right to participate in any claim or remedy of any Lender or the Agent against any Borrower or any other insider guarantor or any collateral, whether or not such claim, remedy or right arises in equity or under contract, statute or common law, including, without limitation, the right to take or receive from any Borrower or any other insider guarantor, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or security on account of such claim, remedy or right, unless and until all of the Guaranteed Obligations and all other amounts payable under this Article VII shall have been paid in full in cash, all Letters of Credit (other than Special Letters of Credit) issued for the account of such Borrower shall have expired or been terminated and the Revolving Credit Commitments shall have expired or been terminated. If any amount shall be paid to the Company in violation of the immediately preceding sentence at any time prior to the later of (a) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Article VII, (b) the Termination Date and (c) the latest date of expiration of or termination of all Letters of Credit (other than Special Letters of Credit) issued for the account of such Borrower, such amount shall be received and held in trust for the benefit of the Lenders and the Agent, shall be segregated from other property and funds of the Company and shall forthwith be paid or delivered to the Agent in the same form as so received (with any necessary endorsement or assignment) to be credited and applied to the Guaranteed Obligations and all other amounts payable under this Article VII, whether matured or unmatured, in accordance with the terms of this Agreement, or to be held as collateral for any Guaranteed Obligations or other amounts payable under this Article VII thereafter arising. If (i) the Company shall make payment to any Lender or the Agent of all or any part of the Guaranteed Obligations, (ii) all of the Guaranteed Obligations and all other amounts payable under this Article VII shall have been paid in full in cash, (iii) the Termination Date shall have occurred and (iv) all Letters of Credit (other than Special Letters of Credit) issued for the account of such Borrower shall have expired or been terminated, the Lenders and the Agent will, at the Company's request and expense, execute and deliver to the Company appropriate documents, without recourse and without representation or warranty, necessary to evidence the transfer by subrogation to the Company of an interest in the Guaranteed Obligations resulting from such payment made by the Company pursuant to this Article VII.

SECTION 7.05. Continuing Guaranty; Assignments. The guaranty under this Article VII is a continuing guaranty and shall (a) remain in full force and effect until the latest of (i) the payment in full in cash of the Guaranteed Obligations and all other amounts payable under this Article VII, (ii) the Termination Date and (iii) the latest date of expiration or termination of all Letters of Credit (other than Special Letters of Credit), (b) be binding upon the Company, its successors and assigns and (c) inure to the benefit of and be enforceable by the Lenders and the Agent and their successors, transferees and assigns. Without limiting the generality of clause (c) of the immediately preceding sentence, any Lender may assign or otherwise transfer all or any portion of its rights and obligations under this Agreement (including, without limitation, all or any portion of its Revolving Credit Commitments, the Advances owing to it and the Note or Notes held by it, if any) to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to such Lender herein or otherwise, in each case as and to the extent provided in Section 9.07.

ARTICLE VIII

THE AGENT

SECTION 8.01. Authorization and Authority. Each Lender hereby irrevocably appoints Citibank to act on its behalf as the Agent hereunder and under the Notes and authorizes the Agent to take such actions on its behalf and to exercise such powers as are delegated to the Agent by the terms hereof or thereof, together with such actions and powers as are reasonably incidental thereto. Except as provided in Section 8.06, the provisions of this Article are solely for the benefit of the Agent and the Lenders, and neither the Company nor any Designated Subsidiary shall have rights as a third party beneficiary of any of such provisions.

SECTION 8.02. Agent Individually. (a) The Person serving as the Agent hereunder shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not the Agent and the term “Lender” or “Lenders” shall, unless otherwise expressly indicated or unless the context otherwise requires, include the Person serving as the Agent hereunder in its individual capacity. Such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with the Company or any Subsidiary or other Affiliate thereof as if such Person were not the Agent hereunder and without any duty to account therefor to the Lenders.

(b) Each Lender understands that the Person serving as Agent, acting in its individual capacity, and its Affiliates (collectively, the “Agent’s Group”) are engaged in a wide range of financial services and businesses (including investment management, financing, securities trading, corporate and investment banking and research) (such services and businesses are collectively referred to in this Section 8.02 as “Activities”) and may engage in the Activities with or on behalf of the Company or its Affiliates. Furthermore, the Agent’s Group may, in undertaking the Activities, engage in trading in financial products or undertake other investment businesses for its own account or on behalf of others (including the Company and its Affiliates and including holding, for its own account or on behalf of others, equity, debt and similar positions in the Company or its Affiliates), including trading in or holding long, short or derivative positions in securities, loans or other financial products of one or more of the Company and its Affiliates. Each Lender understands and agrees that in engaging in the Activities, the Agent’s Group may receive or otherwise obtain information concerning the Company and its Affiliates (including information concerning the ability of the Company to perform its obligations hereunder and under the Notes) which information may not be available to any of the Lenders that are not members of the Agent’s Group. None of the Agent nor any member of the Agent’s Group shall have any duty to disclose to any Lender or use on behalf of the Lenders, and shall not be liable for the failure to so disclose or use, any information whatsoever about or derived from the Activities or otherwise (including any information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of the Company, any Designated Subsidiary or any Affiliate thereof) or to account for any revenue or profits obtained in connection with the Activities, except that the Agent shall deliver or otherwise make available to each Lender such documents as are expressly required by this Agreement to be transmitted by the Agent to the Lenders.

(c) Each Lender further understands that there may be situations where members of the Agent’s Group or their respective customers (including the Company and its Affiliates) either now have or may in the future have interests or take actions that may conflict with the interests of any one or more of the Lenders (including the interests of the Lenders hereunder). Each Lender agrees that no member of the Agent’s Group is or shall be required to restrict its activities as a result of the Person serving as Agent being a member of the Agent’s Group, and that each member of the Agent’s Group may undertake any Activities without further consultation with or notification to any Lender. None of (i) this Agreement, (ii) the receipt by the Agent’s Group of information (including Information) concerning the Company or its Affiliates (including information concerning the ability of the Company and the Designated Subsidiaries to perform their respective obligations hereunder and under the Notes) nor (iii) any other matter shall give rise to any fiduciary, equitable or contractual duties (including without limitation any duty of trust or confidence) owing by the Agent or any member of the Agent’s Group to any Lender including any such duty that would prevent or restrict the Agent’s Group from acting on behalf of customers (including the Company or its Affiliates) or for its own account.

SECTION 8.03. Duties of Agent; Exculpatory Provisions. (a) The Agent’s duties hereunder and under the Notes are solely ministerial and administrative in nature and the Agent shall not have any duties or obligations except those expressly set forth herein. Without limiting the generality of the foregoing, the Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, but shall be required to act or refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the written direction of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein), provided that the Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Agent or any of its Affiliates to liability or that is contrary to this Agreement or applicable law.

(b) The Agent shall not be liable for any action taken or not taken by it (i) with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Agent shall believe in good faith shall be necessary, under the circumstances as provided in Sections 9.01 or 6.01) or (ii) in the absence of its own gross negligence or willful misconduct. The Agent shall be deemed not to have knowledge of any Default or the event or events that give or may give rise to any Default unless and until the Company or any Lender shall have given notice to the Agent describing such Default and such event or events.

(c) Neither the Agent nor any member of the Agent's Group shall be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty, representation or other information made or supplied in or in connection with this Agreement or the Information Memorandum, (ii) the contents of any certificate, report or other document delivered hereunder or thereunder or in connection herewith or therewith or the adequacy, accuracy and/or completeness of the information contained therein, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein or therein or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of this Agreement or any other agreement, instrument or document or the perfection or priority of any Lien or security interest created or purported to be created hereby or (v) the satisfaction of any condition set forth in Article III or elsewhere herein, other than (but subject to the foregoing clause (ii)) to confirm receipt of items expressly required to be delivered to the Agent.

(d) Nothing in this Agreement shall require the Agent or any of its Related Parties to carry out any "know your customer" or other checks in relation to any person on behalf of any Lender and each Lender confirms to the Agent that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or any of its Related Parties.

SECTION 8.04. Reliance by Agent. The Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person. The Agent also may rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. In determining compliance with any condition hereunder to the making of an Advance, or the issuance of a Letter of Credit, that by its terms must be fulfilled to the satisfaction of a Lender, the Agent may presume that such condition is satisfactory to such Lender unless an officer of the Agent responsible for the transactions contemplated hereby shall have received notice to the contrary from such Lender prior to the making of such Advance or the issuance of such Letter of Credit, and in the case of a Borrowing, such Lender shall not have made available to the Agent such Lender's ratable portion of such Borrowing. The Agent may consult with legal counsel (who may be counsel for the Company), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

SECTION 8.05. Delegation of Duties. The Agent may perform any and all of its duties and exercise its rights and powers hereunder or under any Note by or through any one or more sub-agents appointed by the Agent, and the Agent and any such sub-agent may perform any and all of its duties and exercise its rights and powers by or through their respective Related Parties, provided, in each case that no such delegation to a sub-agent or a Related Party shall release the Agent from any of its obligations hereunder. Each such sub-agent and the Related Parties of the Agent and each such sub-agent shall be entitled to the benefits of all provisions of this Article VIII and Section 9.04 (as though such sub-agents were the "Agent" hereunder and under the Notes) as if set forth in full herein with respect thereto.

SECTION 8.06. Resignation of Agent. (a) The Agent may at any time and, if the Person acting as the Agent is a Defaulting Lender and the Company so requests, the Agent shall promptly, give notice of its resignation to the Lenders and the Company. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, with the consent of the Company so long as no Event of Default has occurred and is continuing, to appoint a successor, which shall be a bank with an office in New York, New York, or an Affiliate of any such bank with an office in New York, New York. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (such 30-day period, the "Lender Appointment Period"), then the retiring Agent may on behalf of the

Lenders, with the consent of the Company so long as no Event of Default has occurred and is continuing, or, if the Agent is resigning upon request of the Company pursuant to the preceding sentence, the Company may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above. In addition and without any obligation on the part of the retiring Agent to appoint, on behalf of the Lenders, a successor Agent, the retiring Agent may at any time upon or after the end of the Lender Appointment Period notify the Company and the Lenders that no qualifying Person has accepted appointment as successor Agent and the effective date of such retiring Agent's resignation which effective date shall be no earlier than three business days after the date of such notice. Upon the resignation effective date established in such notice and regardless of whether a successor Agent has been appointed and accepted such appointment, the retiring Agent's resignation shall nonetheless become effective and (i) the retiring Agent shall be discharged from its duties and obligations as Agent hereunder and under the Notes but shall not be relieved of any of its obligations as a Lender and (ii) all payments, communications and determinations provided to be made by, to or through the Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph. Upon the acceptance of a successor's appointment as Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties as Agent of the retiring (or retired) Agent, and the retiring Agent shall be discharged from all of its duties and obligations as Agent hereunder or under the Notes but shall not be relieved of any of its obligations as a Lender (if not already discharged therefrom as provided above in this paragraph). The fees payable by the Company to a successor Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Company and such successor. After the retiring Agent's resignation hereunder and under the Notes, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring Agent was acting as Agent.

(b) Any resignation pursuant to this Section by a Person acting as Agent shall, unless such Person shall notify the Company and the Lenders otherwise, also act to relieve such Person and its Affiliates of any obligation to advance or issue new, or extend existing, Swing Line Advances or Letters of Credit where such advance, issuance or extension is to occur on or after the date that is 60 days after such Person gave notice of such resignation. Upon the acceptance of a successor's appointment as Agent hereunder, (i) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Agent in its capacity (if any) as Issuing Bank and/or Swing Line Bank, (ii) the retiring Agent in its capacity (if any) as Issuing Bank and/or Swing Line Bank shall be discharged from all of its respective duties and obligations hereunder or under the Notes in such capacity, (iii) the successor Swing Line Bank shall enter into an Assignment and Acceptance and acquire from the retiring Swing Line Bank each outstanding Swing Line Advance of such retiring Swing Line Bank for a purchase price equal to par plus accrued interest and (iv) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding at the time of such succession or make other arrangement satisfactory to the retiring Issuing Bank to effectively assume the obligations of the retiring Issuing Bank with respect to such Letters of Credit; except, in each case, as may otherwise be agreed by the Company and such successor Agent if the retiring Agent is a Defaulting Lender.

SECTION 8.07. Non-Reliance on Agent and Other Lenders. (a) Each Lender confirms to the Agent, each other Lender and each of their respective Related Parties that it (i) possesses (individually or through its Related Parties) such knowledge and experience in financial and business matters that it is capable, without reliance on the Agent, any other Lender or any of their respective Related Parties, of evaluating the merits and risks (including tax, legal, regulatory, credit, accounting and other financial matters) of (x) entering into this Agreement, (y) making Advances and other extensions of credit hereunder and (z) in taking or not taking actions hereunder, (ii) is financially able to bear such risks and (iii) has determined that entering into this Agreement and making Advances and other extensions of credit hereunder is suitable and appropriate for it.

(b) Each Lender acknowledges that (i) it is solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with this Agreement and the Notes, (ii) that it has, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, made its own appraisal and investigation of all risks associated with, and its own credit analysis and decision to enter into, this Agreement based on such documents and information, as it has deemed appropriate and (iii) it will, independently and without reliance upon the Agent, any other Lender or any of their respective Related Parties, continue to be solely responsible for making its own appraisal and investigation of all risks arising under or

in connection with, and its own credit analysis and decision to take or not take action under, this Agreement and the Notes based on such documents and information as it shall from time to time deem appropriate, which may include, in each case:

- (i) the financial condition, status and capitalization of the Company and each Designated Subsidiary;
- (ii) the legality, validity, effectiveness, adequacy or enforceability of this Agreement and the Notes and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with this Agreement;
- (iii) determining compliance or non-compliance with any condition hereunder to the making of an Advance, or the issuance of a Letter of Credit and the form and substance of all evidence delivered in connection with establishing the satisfaction of each such condition;
- (iv) the adequacy, accuracy and/or completeness of the Information Memorandum and any other information delivered by the Agent, any other Lender or by any of their respective Related Parties under or in connection with this Agreement, the transactions contemplated hereby and thereby or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with this Agreement.

SECTION 8.08. No Other Duties, etc. Anything herein to the contrary notwithstanding, none of the Persons acting as bookrunners, arrangers, syndication agents or documentation agents listed on the cover page hereof shall have any powers, duties or responsibilities under this Agreement, except in its capacity, as applicable, as the Agent or as a Lender hereunder.

SECTION 9.02. Notices, Etc. All notices and other communications provided for hereunder shall be either (x) in writing (including facsimile communication) and mailed, telecopied or delivered or (y) as and to the extent set forth in Section 9.02(b) and in the proviso to this Section 9.02(a), if to the Company or any other Borrower, to (or in care of) the Company, at its address at 1114 Avenue of the Americas, New York, New York 10036, Attention: Senior Vice President and Treasurer (with a copy at the same address to the Senior Vice President and General Counsel); if to any Initial Lender, at its Domestic Lending Office specified opposite its name on Schedule I hereto; if to any other Lender, at its Domestic Lending Office specified in the Assignment and Acceptance pursuant to which it became a Lender; and if to the Agent, at its address at Building #3, 1615 Brett Road, New Castle, Delaware 19720, Attention: Bank Loan Syndications Department; or, as to the Company or the Agent, at such other address as shall be designated by such party in a written notice to the other parties and, as to each other party, at such other address as shall be designated by such party in a written notice to the Company and the Agent, provided that materials required to be delivered pursuant to Section 5.01(h)(i), (ii) or (iv) shall be delivered to the Agent as specified in Section 9.02(b) or as otherwise specified to the applicable Borrower by the Agent. All such notices and communications shall, when mailed, telecopied or e-mailed, be effective when deposited in the mails, telecopied or confirmed by e-mail, respectively, except that notices and communications to the Agent pursuant to Article II, III or VII shall not be effective until received by the Agent. Delivery by facsimile of an executed counterpart of any amendment or waiver of any provision of this Agreement or any Notes or of any Exhibit hereto to be executed and delivered hereunder shall be effective as delivery of a manually executed counterpart thereof.

(b) So long as Citibank or any of its Affiliates is the Agent, materials required to be delivered pursuant to Sections 5.01(h)(i), (ii) and (iv) may be delivered to the Agent in an electronic medium in a format acceptable to the Agent and the Lenders by e-mail at oploanswebadmin@citigroup.com. Each Borrower agrees that the Agent may make such materials, as well as any other written information, documents, instruments and other material relating to such Borrower, any of its Subsidiaries or any other materials or matters relating to this Agreement, any Notes or any of the transactions contemplated hereby (collectively, the "Communications") available to the Lenders by posting such notices on a password protected internet website such as Intralinks (the "Platform"). Each Borrower acknowledges that (i) the distribution of material through an electronic medium is not necessarily secure and that there are confidentiality and other risks associated with such distribution, (ii) the Platform is provided "as is" and "as available" and (iii) neither the Agent nor any of its Affiliates warrants the accuracy, adequacy or completeness of the Communications or the Platform and each expressly disclaims liability for errors or omissions in the Communications or the Platform. No warranty of any kind, express, implied or statutory, including, without limitation, any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects, is made by the Agent or any of its Affiliates in connection with the Platform.

(c) Each Lender agrees that notice to it (as provided in the next sentence) (a "Notice") specifying that any Communications have been posted to the Platform shall constitute effective delivery of such information, documents or other materials to such Lender for purposes of this Agreement; provided that if requested by any Lender the Agent shall deliver a copy of the Communications to such Lender by e-mail or telecopier. Each Lender agrees (i) to notify the Agent in writing of such Lender's e-mail address or addresses to which a Notice may be sent by electronic transmission (including by electronic communication) on or before the date such Lender becomes a party to this Agreement (and from time to time thereafter to ensure that the Agent has on record an effective e-mail address(es) for such Lender) and (ii) that any Notice may be sent to such e-mail address or addresses.

SECTION 9.03. No Waiver; Remedies. No failure on the part of any Lender or the Agent to exercise, and no delay in exercising, any right hereunder or under any Note shall operate as a waiver thereof; nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

SECTION 9.04. Costs and Expenses. (a) The Company agrees to pay on demand all reasonable out-of-pocket expenses of the Agent in connection with the preparation, execution, delivery, administration, modification and amendment of this Agreement, any Notes and the other documents to be delivered hereunder, including, without limitation, (A) all due diligence, syndication (including printing, distribution and bank meetings),

transportation, computer, duplication, appraisal, consultant, and audit expenses and (B) the reasonable fees and expenses of counsel for the Agent with respect thereto and with respect to advising the Agent as to its rights and responsibilities under this Agreement. The Company further agrees to pay on demand all costs and expenses of the Agent and the Lenders, if any (including, without limitation, reasonable counsel fees and expenses), in connection with the enforcement (whether through negotiations, legal proceedings or otherwise) of this Agreement, any Notes and the other documents to be delivered hereunder, including, without limitation, reasonable fees and expenses of counsel for the Agent and each Lender in connection with the enforcement of rights under this Section 9.04(a).

(b) The Company agrees to indemnify and hold harmless the Agent and each Lender and each of their Affiliates and their officers, directors, employees, agents and advisors (each, an “Indemnified Party”) from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) incurred by or asserted or awarded against any Indemnified Party, in each case arising out of or in connection with or by reason of (including, without limitation, in connection with any investigation, litigation or proceeding or preparation of a defense in connection therewith) any Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances or Letters of Credit, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party’s gross negligence or willful misconduct or is a consequence of such Indemnified Party’s (or its Affiliate’s) becoming a Defaulting Lender hereunder (including, for the avoidance of doubt, its failure to perform its funding obligations hereunder within two Business Days of the date required to be funded by it hereunder). In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 9.04(b) applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by the Company, its directors, shareholders or creditors or an Indemnified Party or any other Person or any Indemnified Party is otherwise a party thereto. The Company also agrees not to assert any claim for special, indirect, consequential or punitive damages against the Agent, any Lender, any of their Affiliates, or any of their respective directors, officers, employees, attorneys and agents, on any theory of liability, arising out of or otherwise relating to any Notes, this Agreement, any of the transactions contemplated herein or the actual or proposed use of the proceeds of the Advances.

(c) If any payment of principal of, or Conversion of, any Eurocurrency Rate Advance is made by any Borrower to or for the account of a Lender other than on the last day of the Interest Period for such Advance, as a result of a payment or Conversion pursuant to Section 2.08(d) or (e), 2.10 or 2.12, acceleration of the maturity of any Notes pursuant to Section 6.01 or for any other reason, or by an Eligible Assignee to a Lender other than on the last day of the Interest Period for such Advance upon an assignment of rights and obligations under this Agreement pursuant to Section 9.07 as a result of a demand by the Company pursuant to Section 9.07(a), such Borrower shall, upon demand by such Lender (with a copy of such demand to the Agent), pay to the Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that it may reasonably incur as a result of such payment or Conversion, including, without limitation, any loss (excluding loss of anticipated profits), cost or expense incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such Advance.

(d) Without prejudice to the survival of any other agreement of the Company and the other Borrowers hereunder, the agreements and obligations of the Company and the other Borrowers contained in Sections 2.11, 2.14 and 9.04 and the agreements and obligations of the Company, the other Borrowers and the Issuing Banks contained in Section 2.10(c) shall survive the payment in full of principal, interest and all other amounts payable hereunder and under any Notes.

(e) Reimbursement by Lenders. Each Lender severally agrees to indemnify the Agent and each Issuing Bank (in each case, to the extent not promptly reimbursed by the Company) from and against such Lender’s ratable share of any and all losses, claims, damages, liabilities, obligations, penalties, actions, judgments, suits, costs, disbursements and expenses, joint or several, of any kind or nature (including the fees, charges and disbursements of any advisor or counsel for such Person that may be imposed on, incurred by, or asserted against the Agent or any Issuing Bank, as the case may be, in any way relating to or arising out of this Agreement or the Notes or any action taken or omitted by the Agent or any Issuing Bank under this Agreement or the Notes; provided, however, that no Lender shall be liable for any portion of such losses, claims, damages, liabilities, obligations,

penalties, actions, judgments, suits, costs, disbursements or expenses resulting from the Agent's or such Issuing Bank's gross negligence or willful misconduct as found in a final, non-appealable judgment by a court of competent jurisdiction, nor shall any Lender be liable to the extent that any claim with respect to any Special Letter of Credit under this section relates to an event arising on or after the Participation Cut-Off Date. Without limitation of the foregoing, each Lender agrees to reimburse the Agent and each Issuing Bank for its ratable share of any costs and expenses (including, without limitation, fees and expenses of counsel) payable by the Company under Section 9.04(a), to the extent that the Agent or such Issuing Bank is not promptly reimbursed for such costs and expenses by the Company.

SECTION 9.05. Right of Set-off. Upon either (a) the occurrence and during the continuance of any Event of Default under Section 6.01(e) or (b) (i) the occurrence and during the continuance of any other Event of Default and (ii) the making of the request or the granting of the consent specified by Section 6.01 to authorize the Agent to declare the Advances due and payable pursuant to the provisions of Section 6.01, each Lender and each of its Affiliates is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender or such Affiliate to or for the credit or the account of the Company or any Borrower against any and all of the obligations of the Company or any Borrower now or hereafter existing under this Agreement and any Note held by such Lender, whether or not such Lender shall have made any demand under this Agreement or such Note and although such obligations may be unmaturing. Each Lender agrees promptly to notify the appropriate Borrower after any such set-off and application, provided that the failure to give such notice shall not affect the validity of such set-off and application. The rights of each Lender and its Affiliates under this Section are in addition to other rights and remedies (including, without limitation, other rights of set-off) that such Lender and its Affiliates may have.

SECTION 9.06. Binding Effect. This Agreement shall become effective (other than Section 2.01, which shall only become effective upon satisfaction of the conditions precedent set forth in Section 3.01) when it shall have been executed by the Company and the Agent and when the Agent shall have been notified by each Initial Lender that such Initial Lender has executed it and thereafter shall be binding upon and inure to the benefit of the Company, the Agent and each Lender and their respective successors and assigns, except that neither the Company nor any other Borrower shall have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders.

SECTION 9.07. Assignments and Participations. (a) Each Lender may and, so long as no Default shall have occurred and be continuing, if demanded by the Company following a demand by such Lender pursuant to Section 2.11 or 2.14, or if such Lender is a Defaulting Lender, following demand by the Company at any time, upon at least 5 Business Days' notice to such Lender and the Agent, shall, assign to one or more Persons all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Commitment, its Unissued Letter of Credit Commitment, the Advances owing to it, its participations in Letters of Credit and any Note or Notes held by it); provided, however, that (i) each such assignment shall be of a constant, and not a varying, percentage of all rights and obligations under this Agreement related to the Commitments or the Unissued Letter of Credit Commitment assigned thereby, (ii) except in the case of an assignment to a Person that, immediately prior to such assignment, was a Lender or an assignment of all of a Lender's rights and obligations under this Agreement, the amount of (x) the Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof and (y) the Unissued Letter of Credit Commitment of the assigning Lender being assigned pursuant to each such assignment (determined as of the date of the Assignment and Acceptance with respect to such assignment) shall in no event be less than \$10,000,000 or an integral multiple of \$1,000,000 in excess thereof unless, in each case, the Company and the Agent otherwise agree, (iii) each such assignment shall be to an Eligible Assignee, (iv) each such assignment made as a result of a demand by the Company pursuant to this Section 9.07(a) shall be arranged by the Company after consultation with the Agent and shall be either an assignment of all of the rights and obligations of the assigning Lender under this Agreement or an assignment of a portion of such rights and obligations made concurrently with another such assignment or other such assignments that together cover all of the rights and obligations of the assigning Lender under this Agreement, (v) no Lender shall be obligated to make any such assignment as a result of a demand by the Company pursuant to this Section 9.07(a) unless and until such Lender

shall have received one or more payments from either the Company or one or more Eligible Assignees in an aggregate amount at least equal to the aggregate outstanding principal amount of the Advances owing to such Lender, together with accrued interest thereon to the date of payment of such principal amount and all other amounts payable to such Lender under this Agreement, and (vi) the parties to each such assignment shall execute and deliver to the Agent, for its acceptance and recording in the Register, an Assignment and Acceptance, together with any Note subject to such assignment and a processing and recordation fee of \$3,500 payable by the parties to each such assignment, provided, however, that in the case of each assignment made as a result of a demand by the Company, such recordation fee shall be payable by the Company except that no such recordation fee shall be payable in the case of an assignment made at the request of the Company to an Eligible Assignee that is an existing Lender, and (vii) any Non-Defaulting Lender may, without the approval of the Company or the Agent, assign all or a portion of its rights to any of its Affiliates that is a financial institution or to another Lender unless on the date of such assignment the assignee would be entitled to make a demand pursuant to Section 2.11 or 2.14 (in which case such assignment shall be permitted only if the assignee shall waive in a manner satisfactory to the Company in form and substance its rights to make such a demand) or is or would, in the reasonable judgment of the Company, be reasonably likely to become a Defaulting Lender. Upon such execution, delivery, acceptance and recording, from and after the effective date specified in each Assignment and Acceptance, (x) the assignee thereunder shall be a party hereto and, to the extent that rights and obligations hereunder have been assigned to it pursuant to such Assignment and Acceptance, have the rights and obligations of a Lender hereunder and (y) the Lender assignor thereunder shall, to the extent that rights and obligations hereunder have been assigned by it pursuant to such Assignment and Acceptance, relinquish its rights (other than its rights under Sections 2.11, 2.14 and 9.04 to the extent any claim thereunder relates to an event arising prior such assignment) and be released from its obligations (other than its obligations under Section 9.04(e) to the extent any claim thereunder relates to an event arising prior to such assignment) under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto).

(b) By executing and delivering an Assignment and Acceptance, the Lender assignor thereunder and the assignee thereunder confirm to and agree with each other and the other parties hereto as follows: (i) other than as provided in such Assignment and Acceptance, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement or the execution, legality, validity, enforceability, genuineness, sufficiency or value of, or the perfection or priority of any lien or security interest created or purported to be created under or in connection with, this Agreement or any other instrument or document furnished pursuant hereto; (ii) such assigning Lender makes no representation or warranty and assumes no responsibility with respect to the financial condition of the Company or any other Borrower or the performance or observance by the Company or any other Borrower of any of its obligations under this Agreement or any other instrument or document furnished pursuant hereto; (iii) such assignee confirms that it has received a copy of this Agreement, together with copies of the financial statements referred to in Section 4.01 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (iv) such assignee will, independently and without reliance upon the Agent, such assigning Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (v) such assignee confirms that it is an Eligible Assignee; (vi) such assignee appoints and authorizes the Agent to take such action as agent on its behalf and to exercise such powers and discretion under this Agreement as are delegated to the Agent by the terms hereof, together with such powers and discretion as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all of the obligations that by the terms of this Agreement are required to be performed by it as a Lender.

(c) Upon its receipt of an Assignment and Acceptance executed by an assigning Lender and an assignee representing that it is an Eligible Assignee, together with any Note or Notes subject to such assignment, the Agent shall, if such Assignment and Acceptance has been completed and is in substantially the form of Exhibit C hereto, (i) accept such Assignment and Acceptance, (ii) record the information contained therein in the Register and (iii) give prompt notice thereof to the Company.

(d) The Agent shall maintain at its address referred to in Section 9.02 a copy of each Assumption Agreement and each Assignment and Acceptance delivered to and accepted by it and a register for the

recording of the names and addresses of the Lenders and each Commitment of, and principal amount of the Advances owing to, each Lender from time to time (the “Register”). The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Company, the Agent and the Lenders may treat each Person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Company or any Lender at any reasonable time and from time to time upon reasonable prior notice.

(e) Each Lender may sell participations to one or more banks or other entities (other than the Company or any of its Affiliates or, unless the Company’s prior consent is obtained, an Ineligible Person (as defined in subsection (f) below)), in or to all or a portion of its rights and obligations under this Agreement (including, without limitation, all or a portion of its Revolving Credit Commitment, the Advances owing to it and any Note or Notes held by it); provided, however, that (i) such Lender’s obligations under this Agreement (including, without limitation, its Revolving Credit Commitment to the Borrowers hereunder) shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) such Lender shall remain the holder of any such Note for all purposes of this Agreement, (iv) the Company, the other Borrowers, the Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement and (v) no participant under any such participation shall have any rights as a Lender hereunder, including, without limitation, any right to make any demand under Section 2.11 or 2.14 or right to approve any amendment or waiver of any provision of this Agreement or any Note, or any consent to any departure by the Company or any other Borrower therefrom, except to the extent that such amendment, waiver or consent would reduce the principal of, or interest on, any Notes or any fees or other amounts payable hereunder, in each case to the extent subject to such participation, or postpone any date fixed for any payment of principal of, or interest on, any Notes or any fees or other amounts payable hereunder or reduce or limit the obligations of the Company under Section 7.01 or release or otherwise limit the Company’s liability with respect to its obligations under Article VII or amend this Section 9.07(e) in any manner adverse to such participant, in each case to the extent subject to such participation and in any event such voting rights shall not exceed those of the Lender hereunder that is the seller of such participation.

(f) Any Lender may, in connection with any assignment or participation or proposed assignment or participation permitted under this Section 9.07, disclose to the assignee or participant or proposed assignee or participant other than, unless the Company’s prior consent is obtained, an Ineligible Person (as defined below), any information relating to any Borrower furnished to such Lender by or on behalf of such Borrower; provided that, prior to any such disclosure, the assignee or participant or proposed assignee or participant shall agree for the benefit of the Company to preserve the confidentiality of any Information relating to any Borrower received by it from such Lender. “Ineligible Person” means any entity (other than the Company) within the Global Industrial Classification (“GICS”) Media Industry Group, presently designated as No. 2540 (and any successor or replacement thereto) appearing on Bloomberg, and any other entities in the advertising or media industry that the Company provides on a list to the Agent from time to time.

(g) Notwithstanding any other provision set forth in this Agreement, any Lender may at any time create a security interest in all or any portion of its rights under this Agreement (including, without limitation, the Advances owing to it and any Note or Notes held by it) in favor of any Federal Reserve Bank in accordance with Regulation A of the Board of Governors of the Federal Reserve System.

SECTION 9.08. Confidentiality. Each of the Agent, the Lenders and the Issuing Bank agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its Affiliates and to its and its Affiliates’ respective managers, partners, directors, officers, employees, agents, advisors and other representatives who need to know the Information in connection with this Agreement or in connection with other contemplated transactions for the benefit of the Company (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential on substantially the same terms as provided herein), (b) to the extent requested by any regulatory authority having jurisdiction over it (including any self-regulatory authority, such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) to any other party hereto, (e) to the extent necessary in connection with the exercise of any remedies hereunder or under any Note or any action or proceeding relating to

this Agreement or any Note or the enforcement of rights hereunder or thereunder, (f) subject to an agreement for the benefit of the Company containing provisions substantially the same as those of this Section, to any assignee, participant or prospective assignee or participant, in each case permitted hereunder, (g) with the consent of the Company or (h) to the extent such Information (x) becomes publicly available other than as a result of a breach of this Section or (y) becomes available to the Agent, any Lender, the Issuing Bank or their respective Affiliates on a nonconfidential basis from a source other than the Company that, to the knowledge of the Agent, such Lender, the Issuing Bank or such Affiliate, as applicable, is not in violation of any confidentiality agreement with the Company.

For purposes of this Section, “Information” means all confidential, proprietary or non-public information of the Company furnished to the Agent or the Lenders by the Company.

SECTION 9.09. Designated Subsidiaries. (a) Designation. The Company may at any time, and from time to time, upon not less than 15 Business Days’ notice in the case of any Subsidiary so designated after the Restatement Date, notify the Agent that the Company intends to designate a Subsidiary as a “Designated Subsidiary” for purposes of this Agreement. On or after the date that is 15 Business Days after such notice, upon delivery to the Agent and each Lender of a Designation Agreement duly executed by the Company and the respective Subsidiary and substantially in the form of Exhibit E hereto, such Subsidiary shall thereupon become a “Designated Subsidiary” for purposes of this Agreement and, as such, shall have all of the rights and obligations of a Borrower hereunder. The Agent shall promptly notify each Lender of the Company’s notice of such pending designation by the Company and the identity of the respective Subsidiary. Following the giving of any notice pursuant to this Section 9.07(a), if the designation of such Designated Subsidiary obligates the Agent or any Lender to comply with “know your customer” or similar identification procedures in circumstances where the necessary information is not already available to it, the Company shall, promptly upon the request of the Agent or any Lender, supply such documentation and other evidence as is reasonably requested by the Agent or any Lender in order for the Agent or such Lender to carry out and be satisfied it has complied with the results of all necessary “know your customer” or other similar checks under all applicable laws and regulations.

If the Company shall designate as a Designated Subsidiary hereunder any Subsidiary not organized under the laws of the United States or any State thereof, any Lender may, with notice to the Agent and the Company, fulfill its Revolving Credit Commitment by causing an Affiliate of such Lender to act as the Lender in respect of such Designated Subsidiary (and such Lender shall, to the extent of Advances made to and participations in Letters of Credit issued for the account of such Designated Subsidiary, be deemed for all purposes hereof to have *pro tanto* assigned such Advances and participations to such Affiliate in compliance with the provisions of Section 9.07).

As soon as practicable after receiving notice from the Company or the Agent of the Company’s intent to designate a Subsidiary as a Designated Borrower, and in any event no later than five Business Days after the delivery of such notice, for a Designated Subsidiary that is organized under the laws of a jurisdiction other than of the United States or a political subdivision thereof, any Lender that may not legally lend to, establish credit for the account of and/or do any business whatsoever with such Designated Subsidiary directly or through an Affiliate of such Lender as provided in the immediately preceding paragraph (a “Protesting Lender”) shall so notify the Company and the Agent in writing. With respect to each Protesting Lender, the Company shall, effective on or before the date that such Designated Subsidiary shall have the right to borrow hereunder, either (A) notify the Agent and such Protesting Lender that the Revolving Credit Commitments of such Protesting Lender shall be terminated; provided that such Protesting Lender shall have received payment of an amount equal to the outstanding principal of its Advances and/or Letter of Credit reimbursement obligations, accrued interest thereon, accrued fees and all other amounts then payable to it hereunder, from the assignee (to the extent of such outstanding principal and accrued interest and fees) or the Company or the relevant Designated Subsidiary (in the case of all other amounts), or (B) cancel its request to designate such Subsidiary as a “Designated Subsidiary” hereunder.

(b) Termination. Upon the payment and performance in full of all of the indebtedness, liabilities and obligations under this Agreement and the Notes of any Designated Subsidiary then, so long as at the time no Notice of Revolving Credit Borrowing in respect of such Designated Subsidiary is outstanding, such Subsidiary’s status as a “Designated Subsidiary” shall terminate upon notice to such effect from the Agent to the Lenders (which notice the Agent shall give promptly upon its receipt of a request therefor from the Company). Thereafter, the Lenders shall be under no further obligation to make any Advance hereunder to such Designated Subsidiary.

SECTION 9.10. Governing Law. This Agreement and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to conflicts of law provisions that might require application of the laws of a different jurisdiction.

SECTION 9.11. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.12. Judgment. (a) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in Dollars into another currency, the parties hereto agree, to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase Dollars with such other currency at Citibank's principal office in London at 11:00 A.M. (London time) on the Business Day preceding that on which final judgment is given.

(b) If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder in a Committed Currency or Committed L/C Currency into Dollars, the parties agree to the fullest extent that they may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures the Agent could purchase such Committed Currency or Committed L/C Currency with Dollars at Citibank's principal office in London at 11:00 A.M. (London time) on the Business Day preceding that on which final judgment is given.

(c) The obligation of the Company and each other Borrower in respect of any sum due from it in any currency (the "Primary Currency") to any Lender or the Agent hereunder shall, notwithstanding any judgment in any other currency, be discharged only to the extent that on the Business Day following receipt by such Lender or the Agent (as the case may be), of any sum adjudged to be so due in such other currency, such Lender or the Agent (as the case may be) may in accordance with normal banking procedures purchase the applicable Primary Currency with such other currency; if the amount of the applicable Primary Currency so purchased is less than such sum due to such Lender or the Agent (as the case may be) in the applicable Primary Currency, the Company and each other Borrower agrees, as a separate obligation and notwithstanding any such judgment, to indemnify such Lender or the Agent (as the case may be) against such loss, and if the amount of the applicable Primary Currency so purchased exceeds such sum due to any Lender or the Agent (as the case may be) in the applicable Primary Currency, such Lender or the Agent (as the case may be) agrees to remit to the Company or such other Borrower such excess.

SECTION 9.13. Jurisdiction, Etc. (a) Each of the parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the Notes, if any, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in any such New York State court or, to the extent permitted by law, in such federal court. The Company and each other Borrower hereby further irrevocably consent to the service of process in any action or proceeding in such courts by the mailing thereof by any parties hereto by registered or certified mail, postage prepaid, to the Company at its address specified pursuant to Section 9.02. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that any party may otherwise have to bring any action or proceeding relating to this Agreement or any Notes in the courts of any jurisdiction.

(b) Each of the parties hereto irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit,

action or proceeding arising out of or relating to this Agreement or any Notes in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

SECTION 9.14. Substitution of Currency. If a change in any Committed Currency or Committed L/C Currency occurs pursuant to any applicable law, rule or regulation of any governmental, monetary or multi-national authority, this Agreement (including, without limitation, the definitions of Eurocurrency Rate) will be amended to the extent determined by the Agent (acting reasonably and in consultation with the Company) to be necessary to reflect the change in currency and to put the Lenders and the Company in the same position, so far as possible, that they would have been in if no change in such Committed Currency or Committed L/C Currency had occurred.

SECTION 9.15. No Liability Regarding Letters of Credit. None of the Agent, the Lenders nor any Issuing Bank, nor any of their Affiliates, or the respective directors, officers, employees, agents and advisors of such Person or such Affiliate, shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder, or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the applicable Issuing Bank; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the applicable Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are hereby waived by the Borrowers to the extent permitted by applicable law) suffered by such Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof or any failure to honor a Letter of Credit where such Issuing Bank is, under applicable law, required to honor it. The parties hereto expressly agree that, as long as the Issuing Bank has not acted with gross negligence or willful misconduct, such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented which appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit.

SECTION 9.16. Patriot Act Notification. Each Lender and the Agent (for itself and not on behalf of any Lender) hereby notifies the Company and each other Borrower that pursuant to the requirements of the Patriot Act, it is required to obtain, verify and record information that identifies each Borrower, which information includes the name and address of each Borrower and other information that will allow such Lender or the Agent, as applicable, to identify each Borrower in accordance with the Patriot Act. Each Borrower shall, and shall cause each of their Subsidiaries to, provide, to the extent commercially reasonable, such information and take such actions as are reasonably requested by the Agent or any Lenders in order to assist the Agent and the Lenders in maintaining compliance with the Patriot Act.

SECTION 9.17. No Fiduciary Duty. The Agent, each Lender and their Affiliates (collectively, solely for purposes of this paragraph, the "Lenders") may have economic interests that conflict with those of the Borrowers. The Borrowers agree that nothing in the Loan Documents will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between the Lenders and any Borrower, its stockholders or its affiliates. Each Borrower acknowledges and agrees that (i) the transactions contemplated by the Loan Documents are arm's-length commercial transactions between the Lenders, on the one hand, and such Borrower, on the other, (ii) in connection therewith and with the process leading to such transaction each of the Lenders is acting solely as a principal and not the agent or fiduciary of such Borrower, its management, stockholders, creditors or any other person, (iii) no Lender has assumed an advisory or fiduciary responsibility in favor of such Borrower with respect to the transactions contemplated hereby or the process leading thereto (irrespective of whether any Lender or any of its affiliates has advised or is currently advising such Borrower on other matters) or any other obligation to such Borrower except the obligations expressly set forth in the Loan Documents and (iv) such Borrower has consulted its own legal and financial advisors to the extent it deemed

appropriate. Each Borrower further acknowledges and agrees that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Borrower agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Borrower, in connection with such transaction or the process leading thereto.

SECTION 9.18. Waiver of Jury Trial. Each of the Company, each other Borrower, the Agent and the Lenders hereby irrevocably waives, to the fullest extent permitted by applicable law, all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Agreement or any Notes or the actions of the Agent or any Lender in the negotiation, administration, performance or enforcement thereof.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their respective officers thereunto duly authorized, as of the date first above written.

Dated: _____, 201__

FOR VALUE RECEIVED, the undersigned, THE INTERPUBLIC GROUP OF COMPANIES, INC., a Delaware corporation (the "Borrower"), HEREBY PROMISES TO PAY to the order of _____ (the "Lender") for the account of its Applicable Lending Office on the Termination Date (each as defined in the Credit Agreement referred to below) the principal sum of U.S.\$[amount of the Lender's Revolving Credit Commitment in figures] or, if less, the aggregate principal amount of the Revolving Credit Advances and Swing Line Advances made by the Lender to the Borrower pursuant to the 3-Year Credit Agreement dated as of July 18, 2008, amended and restated as of April 23, 2010, among the Borrower, the Lender and certain other lenders parties thereto, JPMorgan Chase Bank, N.A., as syndication agent, HSBC Bank USA, National Association and ING Capital LLC, as co-documentation agents, Citigroup Global Markets Inc. and J.P. The Borrower promises to pay interest on the unpaid principal amount of each Revolving Credit Advance and each Swing Line Advance from the date of such Revolving Credit Advance or such Swing Line Advance, as the case may be, until such principal amount is paid in full, at such interest rates, and payable at such times, as are specified in the Credit Agreement.

Both principal and interest in respect of each Advance (i) in Dollars are payable in lawful money of the United States of America to the Agent at its account maintained at 399 Park Avenue, New York, New York 10043, in same day funds and (ii) in any Committed Currency are payable in such currency at the applicable Payment Office in same day funds. This Promissory Note is one of the Notes referred to in, and is entitled to the benefits of, the Credit Agreement. The Credit Agreement, among other things, (i) provides for the making of Revolving Credit Advances and Swing Line Advances by the Lender to the Borrower from time to time in an aggregate amount not to exceed at any time outstanding the U.S. dollar amount first above mentioned, the indebtedness of the Borrower resulting from each such Revolving Credit Advance and Swing Line Advance being evidenced by this Promissory Note, (ii) contains provisions for determining the Dollar Equivalent of Advances denominated in Committed Currencies and (iii) contains provisions for acceleration of the maturity hereof upon the happening of certain stated events and also for prepayments on account of principal hereof prior to the maturity hereof upon the terms and conditions therein specified.

3-Year Credit Agreement

This Promissory Note shall be governed by, and construed in accordance with, the laws of the State of New York without giving effect to conflicts of law provisions that might require application of the laws of a different jurisdiction.

The parties named as Lenders in
the below-referenced Credit Agreement

Ladies and Gentlemen:

We have acted as special counsel to The Interpublic Group of Companies, Inc., a Delaware corporation (the "Company"), in connection with that certain 3-Year Credit Agreement, dated as of July 18, 2008, amended and restated as of April 23, 2010 (the "Credit Agreement"), among the Company, the Lenders party thereto, JPMorgan Chase Bank, N.A., as syndication agent, HSBC Bank USA, National Association and ING Capital LLC, as co-documentation agents, Citigroup Global Markets Inc. and J.P. Morgan Securities, Inc., as joint lead arrangers and joint book managers, and Citibank, N.A., as Agent for said Lenders. This opinion is furnished to you pursuant to Section 3.01(d)(iv) of the Credit Agreement.

In arriving at the opinions expressed below, we have reviewed the following documents:

- (1) an executed copy of the Credit Agreement;
- (2) executed copies of the Notes (as defined in the Credit Agreement), dated the date hereof, of the Company payable to the Lenders named therein (the "Company Notes"); and
- (3) the other documents furnished by the Company pursuant to Article III of the Credit Agreement.

In addition, we have reviewed the originals or copies certified or otherwise identified to our satisfaction of all such corporate records of the Company and such other instruments and other certificates of public officials, officers and representatives of the Company and such other persons, and we have made such investigations of law, as we have deemed necessary as a basis for the opinions expressed below.

In rendering the opinions expressed below, we have assumed the authenticity of all documents submitted to us as originals and the conformity to the originals of all documents submitted to us as copies. In addition, we have assumed and have not verified the accuracy as to factual matters of each document we have reviewed (including, without limitation, the accuracy of the representations and warranties of the Company in the Credit Agreement).

Based upon the foregoing and subject to the further assumptions and qualifications set forth below, it is our opinion that:

1. The Company has corporate power to enter into the Credit Agreement and the Company Notes and to perform its obligations thereunder.
2. The execution and delivery by the Company of the Credit Agreement and the Company Notes have been duly authorized by all necessary corporate action of the Company.

3-Year Credit Agreement

3. The performance by the Company of its obligations under the Credit Agreement and the Company Notes (a) does not require any consent, approval, authorization, registration or qualification of or with any governmental authority of the United States, the State of Delaware or the State of New York and (b) does not result in a violation of any applicable United States federal or New York State law, rule or regulation or the Delaware General Corporation Law.

4. The Credit Agreement is a valid, binding and enforceable agreement of the Company.

5. The Company Notes, after giving effect to the initial borrowing by the Company under the Credit Agreement, will be valid, binding and enforceable obligations of the Company.

Insofar as the foregoing opinions relate to the validity, binding effect or enforceability of any agreement or obligation of the Company, (a) we have assumed that each party to such agreement or obligation has satisfied those legal requirements that are applicable to it to the extent necessary to make such agreement or obligation enforceable against it (except that no such assumption is made as to the Company regarding matters of the federal law of the United States of America, the law of the State of New York or the General Corporation Law of the State of Delaware that in our experience normally would be applicable to general business entities with respect to such agreement or obligation) and (b) such opinions are subject to applicable bankruptcy, insolvency and similar laws affecting creditors' rights generally and to general principles of equity.

We express no opinion as to the applicability or effect of the laws of any jurisdiction other than the State of New York wherein any Lender may be located or wherein enforcement of the Credit Agreement or the Notes may be sought that may limit the rates of interest which may be charged or collected.

We express no opinion as to (a) Section 2.15 of the Credit Agreement insofar as it provides that any Lender purchasing a participation from another Lender pursuant thereto may exercise set-off or similar rights with respect to such participation or (b) Section 9.12 of the Credit Agreement.

We have assumed that any assignments made by or among the Lenders of their rights and obligations under the Credit Agreement will not contravene New York Judiciary Law Section 489 (which makes it a criminal offense to take an assignment of a debt obligation with the intent of and for the purpose of bringing an action or proceeding thereon).

We note that the designations in Section 9.13(a) of the Credit Agreement are (notwithstanding the waiver in Section 9.13(b) of the Credit Agreement) subject to the power of such federal court to transfer actions pursuant to 28 U.S.C. §1404(a) or to dismiss such actions or proceedings on the grounds that such a federal court is an inconvenient forum for such action or proceeding.

We note that the waiver of defenses contained in Section 7.02 of the Credit Agreement may be ineffective to the extent that any such defense involves a matter of public policy in New York.

With respect to the first sentence of Section 9.13(a) of the Credit Agreement, we express no opinion as to the subject matter jurisdiction of any United States federal court to adjudicate any action relating to the Credit Agreement where jurisdiction based on diversity of citizenship under 28 U.S.C. §1332 does not exist.

The opinion expressed in paragraph 3 above relates only to those laws, rules and regulations that, in our experience, are normally applicable to general business entities with respect to performance of transactions of the type referred to in the Credit Agreement.

The foregoing opinions are limited to the law of the State of New York, the General Corporation Law of the State of Delaware and the federal law of the United States, but we express no opinion as to any state securities or Blue Sky laws or United States federal securities laws.

3-Year Credit Agreement

Ladies and Gentlemen:

This opinion is furnished to you pursuant to Section 3.01(d)(iv) of the 3-Year Credit Agreement dated as of July 18, 2008, amended and restated as of April 23, 2010 (the "Credit Agreement"), among The Interpublic Group of Companies, Inc. (the "Company"), the Lenders parties thereto, JPMorgan Chase Bank, N.A., as syndication agent, HSBC Bank USA, National Association and ING Capital LLC, as co-documentation agents, Citigroup Global Markets Inc. and J.P. Morgan Securities Inc., as joint lead arrangers and joint book managers, and Citibank, N.A., as Agent for said Lenders. Terms defined in the Credit Agreement are used herein as therein defined.

I have acted as General Counsel for the Company in connection with the preparation, execution and delivery of the Credit Agreement.

In arriving at the opinions expressed below, I have examined the following documents:

- (1) An executed copy of the Credit Agreement.
- (2) The documents furnished by the Company pursuant to Article III of the Credit Agreement.
- (3) A copy of the Restated Certificate of Incorporation of the Company and all amendments thereto (the "Charter").
- (4) A copy of the by-laws of the Company and all amendments thereto (the "By-laws").
- (5) A certificate of the Secretary of State of Delaware, dated _____, 2010, attesting to the continued corporate existence and good standing of the Company in that State.

In addition, I have examined the originals, or copies certified or otherwise identified to my satisfaction, of such other corporate records of the Company, certificates of public officials and of officers of the Company and such other persons as I have deemed necessary as a basis for the opinions expressed below.

3-Year Credit Agreement

In rendering the opinions expressed below, I have assumed the authenticity of all documents submitted to me as originals and the conformity to the originals of all documents submitted to me as copies. In addition, I have assumed and have not verified the accuracy as to factual matters of each document I have reviewed (including, without limitation, the accuracy of the representations and warranties of the Company in the Credit Agreement).

Based upon the foregoing and subject to the further assumptions and qualifications set forth below, it is my opinion that:

1. The Company is a corporation validly existing and in good standing under the laws of the State of Delaware.
2. The execution, delivery and performance by the Company of the Credit Agreement and the Notes to be delivered by it, and the consummation of the transactions contemplated thereby, are within the Company's corporate powers, have been duly authorized by all necessary corporate action, and do not contravene (i) the Charter or the By-laws or (ii) any material contractual or legal restriction known to me contained in any material document to which the Company is a party or by which it is bound. The Credit Agreement and the Notes have been duly executed and delivered on behalf of the Company.
3. To the best of my knowledge, no authorization, approval or other action by, and no notice to or filing with, any third party is required for the execution, delivery and performance by the Company of the Credit Agreement and the Notes.
4. To the best of my knowledge, there are no pending or overtly threatened actions or proceedings against the Company or any of its Consolidated Subsidiaries before any court, governmental agency or arbitrator that purport to affect the validity, binding effect or enforceability of the Credit Agreement or any of the Notes or the consummation of the transactions contemplated thereby or, except as disclosed in the Company's reports filed with the Securities and Exchange Commission prior to the Restatement Date, that are likely to have a materially adverse effect upon the financial condition or operations of the Company and its Consolidated Subsidiaries taken as a whole.

With regard to clause (ii) of paragraph 2 above, I express no opinion as to whether the deposit of cash into the L/C Cash Deposit Account would be permissible under the applicable lien covenants (all of which permit the Company to create liens in an amount based on its consolidated net worth) at the time such cash is provided.

The foregoing opinions are limited to the law of the State of New York, the General Corporation Law of the State of Delaware and the Federal law of the United States.

I am furnishing this opinion letter to you solely for your benefit in connection with the Credit Agreement. This opinion letter is not to be used, circulated, quoted or otherwise referred to for any other purpose. Notwithstanding the foregoing, a copy of this opinion letter may be furnished to, and relied upon by, your successors and a permitted transferee who becomes a party to the Credit Agreement as a Lender thereunder, and you or any such successor or transferee may show this opinion to any governmental authority pursuant to requirements of applicable law or regulations. The opinions expressed herein are, however, rendered on and as of the date hereof, and I assume no obligation to advise you or any such transferee or governmental authority or any other person, or to make any investigations, as to any legal developments or factual matters arising subsequent to the date hereof that might affect the opinions expressed herein.

Very truly yours,

Nicholas J. Camera, General Counsel

¹ Earnings (loss) consist of (loss) income from continuing operations before income taxes, equity in net (loss) income of unconsolidated affiliates and adjustments for net loss attributable to noncontrolling interests. Fixed charges consist of interest on indebtedness, amortization of debt discount, waiver and other amendment fees, debt issuance costs (all of which are included in interest expense) and the portion of net rental expense deemed representative of the interest component (one-third).

² We have calculated the interest factor of net operating rent as one third of our operating rent, as this represents a reasonable approximation of the interest factor.

³ We had a less than 1:1 ratio of earnings to fixed charges due to our losses in the three months ended March 31, 2010 and years ended December 31, 2006 and 2005. To provide a 1:1 coverage ratio for the deficient periods results as reported would have required additional earnings of \$85.0, \$5.0 and \$186.6 in the three months ended March 31, 2010 and years ended December 31, 2006 and 2005, respectively.
