THE INTERPUBLIC GROUP OF COMPANIES, INC. AND ITS SUBSIDIARIES
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

1. Consolidated Financial Statements

- (a) In the opinion of management, the consolidated balance sheet as of September 30, 1995, the consolidated income statements for the three months and nine months ended September 30, 1995 and 1994 and the consolidated statement of cash flows for the nine months ended September 30, 1995 and 1994, contain all adjustments (which include only normal recurring adjustments) necessary to present fairly the financial position, results of operations and cash flows at September 30, 1995 and for all periods presented.

Certain information and footnote disclosures normally included in financial statements prepared in accordance with generally accepted accounting principles have been omitted. It is suggested that these consolidated financial statements be read in conjunction with the consolidated financial statements and notes thereto included in The Interpublic Group of Companies, Inc.'s (the "Company's") December 31, 1994 annual report to stockholders.

- (b) Statement of Financial Accounting Standards (SFAS) No. 95 "Statement of Cash Flows" requires disclosures of specific cash payments and noncash investing and financing activities. The Company considers all highly liquid investments with a maturity of three months or less to be cash equivalents. Income tax cash payments were approximately \$39.7 million and \$52.7 million in the first nine months of 1995 and 1994, respectively. Interest payments during the first nine months of 1995 were approximately \$18.1 million. Interest payments during the comparable period of 1994 were approximately \$14.9 million.
- (c) Effective January 1, 1994, the Company adopted SFAS No. 112 "Employers' Accounting for Postemployment Benefits" and recorded a one-time pre-tax charge of \$39.6 million or \$21.8 million after-tax. As of September 30, 1995 deferred compensation and reserve for termination allowances includes approximately \$41.2 million of postemployment benefits.

THE INTERPUBLIC GROUP OF COMPANIES, INC. AND ITS SUBSIDIARIES
MANAGEMENT'S DISCUSSION AND ANALYSIS OF
FINANCIAL CONDITION AND RESULTS OF OPERATIONS

LIQUIDITY AND CAPITAL RESOURCES

Working capital at September 30, 1995 was \$92.7 million, an increase of \$12.5 million from December 31, 1994. The ratio of current assets to current liabilities remained relatively unchanged from December 31, 1994 at approximately 1.0 to 1.

During 1994, Interpublic Group of Companies, Inc. (the "Company") acquired Western International Media Corporation and Ammirati & Puris Holding, Inc.

In April 1995, the Company acquired all the assets of Newspaper Services of America, Inc. The purchase price was approximately \$7 million.

In April 1995, the Company along with the management of Campbell Mithun Esty (CME) acquired substantially all of the assets of CME. The purchase price for Interpublic's share was \$20.0 million. The Company, together with the management of Campbell Mithun Esty, will operate CME going forward on a 50/50 basis.

In October 1995, the Company, in a 50/50 joint venture with All American Communications, Inc., acquired certain assets and liabilities of Mark Goodson Productions. The purchase price for Interpublic's fifty (50) percent share was approximately \$25.0 million in shares of the Company's common stock.

In November 1995, the Company acquired all of the stock of Anderson & Lembke Inc. for approximately \$22.0 million in shares of the Company's stock.

Historically, cash flow from operations has been the primary source of working capital and management believes that it will continue to be in the future. The principal use of the Company's working capital is to provide for the operating needs of its advertising agencies, which include payments for space or time purchased from various media on behalf of its clients. The Company's practice is to bill and collect from its clients in sufficient time to pay the amounts due media. Other uses of working capital include the payment of cash dividends, acquisitions, capital expenditures and the reduction of long-term debt. In addition, during the first nine months of 1995, the Company acquired 1,393,250 shares of its own stock for approximately \$49.8 million for the purpose of fulfilling the Company's obligations under its various compensation plans.

RESULTS OF OPERATIONS

Three Months Ended September 30, 1995 Compared to Three Months Ended September 30, 1994

Total revenue for the three months ended September 30, 1995 increased \$48.9 million, or 11.4%, to \$476.3 million compared to the same period in 1994. Domestic revenue increased \$28.4 million or 19.5% from 1994 levels. Foreign revenue increased \$20.5 million or 7.3% during the third quarter of 1995 compared to 1994. Other income increased by \$3.0 million during the third quarter of 1995 compared to the same period in 1994.

Operating expenses increased \$44.3 million or 11.1% during the three months ended September 30, 1995 compared to the same period in 1994. Interest expense increased 36.3% as compared to the same period in 1994.

Pretax income increased \$4.9 million or 15.1% during the three months ended September 30, 1995 compared to the same period in 1994.

The increase in total revenue, operating expenses, and pretax income is primarily due to acquired companies' results of operations.

In the fourth quarter of 1994, the Company recorded restructuring charges of \$48.7 million in connection with the elimination of duplicate facilities and excess personnel resulting primarily from the merger of Lintas New York and Ammirati & Puris agencies and certain international offices. Third quarter 1995 salary savings realized from the restructuring amounted to approximately \$5.2 million.

Net losses from exchange and translation of foreign currencies for the three months ended September 30, 1995 were approximately \$1.3 million versus \$.4 million for the same period in 1994.

The effective tax rate for the three months ended September 30, 1995 was 43.0%, as compared to 44.3% in 1994. The decrease in the effective tax rate is mainly due to the geographic mix of earnings.

The difference between the effective and statutory rates is primarily due to foreign losses with no tax benefit, losses from translation of foreign currencies which provided no tax benefit, state and local taxes, foreign withholding taxes on dividends and nondeductible goodwill expense.

Nine Months Ended September 30, 1995 Compared to Nine Months Ended September 30, 1994

Total revenue for the nine months ended September 30, 1995 increased \$145.7 million, or 11.1%, to \$1,458.2 million compared to the same period in 1994. Domestic revenue increased \$56.0 million or 12.0% from 1994 levels. Foreign revenue increased \$89.7 million or 10.6% during the first nine months of 1995 compared to 1994. Other income increased \$5.4 million in the first nine months of 1995 compared to the same period in 1994.

Operating expenses increased \$119.5 million or 10.1% during the nine months ended September 30, 1995 compared to the same period in 1994. Interest expense increased 18.8% during the nine months ended September 30, 1995 as compared to the same nine month period in 1994.

Pretax income increased \$27.1 million or 18.3% during the nine months ended September 30, 1995 compared to the same period in 1994.

The increase in total revenue, operating expenses, and pretax income is primarily due to acquired companies' results of operations.

In the fourth quarter of 1994, the Company recorded restructuring charges of \$48.7 million in connection with the elimination of duplicate facilities and excess personnel resulting primarily from the merger of Lintas New York and Ammirati & Puris agencies and certain international offices. At December 31, 1994 the Company's liability related to these restructuring charges totalled \$27.6 million for severance. The remaining liability at September 30, 1995 is \$4.5 million for severance. Total salary savings for the nine months ended September 30, 1995 realized from the restructuring amounted to approximately \$14.1 million. The Company expects to realize additional salary savings from restructuring of approximately \$4.9 million during the remainder of 1995.

Net losses from exchange and translation of foreign currencies for the nine months ended September 30, 1995 were approximately \$3.4 million versus \$9.8 million for the same period in 1994.

The effective tax rate for the nine months ended September 30, 1995 was 42.6%, as compared to 43.0% in 1994. The decrease in the effective tax rate is mainly due to the geographic mix of earnings.

ERISA EXCESS BENEFIT AGREEMENT

This AGREEMENT made and executed as of this 1st day of January, 1995, by and between The Interpublic Group of Companies, Inc., a corporation organized and existing under the laws of the State of Delaware (hereinafter referred to as the "Employer"), and Robert L. James (hereinafter referred to as the "Executive").

W I T N E S S E T H:

WHEREAS, the Executive is a participant in the Interpublic Retirement Account Plan (hereinafter referred to as the "Plan");

WHEREAS, the Plan is a tax-qualified defined benefit plan and is therefore subject to the limits imposed by sections 415 and 401(a)(17) of the Internal Revenue Code of 1986, as amended ("IRC"), with respect to the amount of benefits that the Plan may provide and the amount of annual compensation that the Plan may take into account when calculating benefits (hereinafter referred to as the "Limits");

WHEREAS, the Employer wishes to continue to provide, under the conditions specified below, the Executive with certain benefits that the Limits prevent the Plan from providing; and

WHEREAS, the Executive has indicated his willingness to serve as a key employee of the Employer,

NOW, THEREFORE, in consideration of the mutual promises and covenants as hereinafter set forth, the parties hereto agree as follows:

1. If the Executive retires from the Employer on a date ("Retirement Date") on which the Executive is entitled to receive a Retirement Benefit under the Plan (other than a Vested Retirement Benefit as defined in Section 5.5 of the Plan), the Employer shall pay to the Executive an amount equal to the excess (if any) of:

(a) the amount that would be paid to the Executive as of the Retirement Date pursuant to the Plan, if

PAGE

(I) the Executive retired from the Employer on the Retirement Date,

(ii) the Maximum Benefit Limits (set forth in IRC Section 415) did not apply to the Plan,

(iii) the Annual Compensation Limits (set forth in IRC Section 401(a)(17)) did not apply to the Plan after January 1, 1992, and

(iv) the Executive's Retirement Benefit was calculated solely on the basis of the Executive's base salary and awards (if any) made to the Executive under the Employer's Management Incentive Compensation Plan ("MICP") after January 1, 1992 (determined without regard to any arrangement for the deferral of such base salary or MICP awards); over

(b) the amount of benefits actually payable pursuant to the Plan with the Limits taken into account.

2. Said benefit shall equal \$210,637 and be payable in monthly installments of \$17,553.08 under the single life annuity form of payment as of January 1, 1995.

3. For purpose of Sections 1 through 3 hereof, the term "Employer" shall include any entity that is considered together with the Interpublic Group of Companies, Inc., as a single employer pursuant to Section 414(b) or (c) of the Internal Revenue Code of 1986, as amended from time to time (except that the phrase "50 percent or more" shall be substituted for the phrase "at least 80 percent" wherever the latter phrase appears in Section 1563 (a) (1) of said Code).

4. (a) Amounts payable by the Employer to the Executive

pursuant to this Agreement shall be paid in the form of a monthly annuity to the Executive or the Beneficiary and shall be paid simultaneously with amounts paid to the Executive or the Beneficiary pursuant to the Plan; provided that the Employer shall not make a lump-sum payment of amounts due hereunder.

PAGE

If the Executive or the Beneficiary does not receive a benefit under the Plan in the form of an annuity (because, for example, the benefit is paid in a lump sum), the amounts payable by the Employer hereunder shall be paid in the form of an immediate annuity irrevocably designated by the Executive (or by the Beneficiary if such amounts first become payable hereunder by reason of the Executive's death) from among the annuity payment options available under the Plan on the Retirement Date. The Employer will provide the Executive (or where applicable, the Beneficiary) with a description of payment options available and a payment selection form, which shall be completed and submitted to Employer no more than 90 days, and no less than 30 days, before the Retirement Date.

(b) Amounts payable by the Employer to the Executive pursuant to this Agreement may be reduced in accordance with the following:

(I) to take into account any increase in the Limits which may be enacted pursuant to the IRC or other regulation, from time to time, and

(ii) by the amount of any compensation received by the Executive from the Employer (or any of its affiliates or subsidiaries) at any time subsequent to the Retirement Date pursuant to a consulting arrangement which the Executive may enter into with the Employer.

5. This Agreement is an unfunded deferred compensation agreement between the Employer and the Executive. The obligation of the Employer to make payments to the Executive under this Agreement is a contractual obligation only. The Employer (or its assignee) may, but need not, establish a fund to be used to meet the Employer's obligations under this Agreement, or may obtain and own an insurance policy on the life of the Executive in connection with its obligations under this Agreement. In the latter case, and upon request of the Employer, Executive agrees to satisfactory completion of a physical examination in connection with such insurance policy. The assets of any such fund, if a fund is created, will at all times be subject to the

PAGE

claims of the general creditors of the Employer. Nothing in this Agreement shall limit the Employer's actions in dealing with any such fund or any other assets that are owned or become the property of the Employer. The Executive's rights under this Agreement are solely the rights of a general and unsecured creditor of the Employer.

6. No payment to be made under this Agreement shall be subject in any manner to anticipation, alienation, sale, transfer, assignment, breach, encumbrance, levy, or charge. Any attempt so to anticipate, alienate, sell, transfer, assign, breach, encumber, levy, or charge the same shall be void; nor shall any such payment be in any manner liable for or subject to the debts, contracts, liabilities, engagements, or torts of the Executive, his Beneficiary, or his personal representative(s).

7. There shall be deducted from all amounts paid under this Agreement any taxes that the Employer reasonably determines are required to be withheld by any government or government agency. The Executive, his Beneficiary, or his personal representative(s) shall bear any and all taxes imposed on amounts paid under this Agreement irrespective of whether withholding is required.

8. This agreement shall not be construed as a guarantee of continued employment by the Employer or one of its subsidiaries, nor shall any provision or condition of this Agreement waive the Employer's right to terminate the Executive's employment.

9. Any notice required or permitted to be given under this Agreement shall be sufficient if in writing, and if hand-delivered or sent by registered or certified mail, in the case of the Employer, to Senior Vice President, Human Resources, The Interpublic Group of Companies, Inc., 1271 Avenue of the Americas, New York, New York 10020; and in the case of the Executive to_____. A party may designate, by written notice to the other party, an address other than the foregoing for receipt of notices hereunder.

10. This Agreement shall be governed by and construed under federal law and under the laws of the State of New York to the extent they are not preempted by federal law.

11. The waiver by the Executive or by the Employer of a breach of any provision of this Agreement shall not operate or be construed as a waiver of any subsequent breach of this Agreement.

12. This Agreement shall inure to the benefit of, and be binding on, the parties hereto and their beneficiaries, distributees, heirs, personal representatives, and other successors in interest, including, without limitations, any corporation or corporations acquiring directly or indirectly all or substantially all of the assets of the Employer whether by merger, consolidation, sale or otherwise.

13. The rights and liabilities of the Employer and the Executive under this Agreement shall be governed exclusively by the terms of this Agreement, as amended from time to time.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date first hereinabove set forth.
